Item 2.03 Creation of a Direct Financial Obligation or an Obligation under an Off-Balance Sheet Arrangement of a Registrant

On November 2, 2011, Hercules Technology Growth Capital, Inc. (the “Company”) renewed and amended its two-year revolving senior secured credit facility (the “Credit Facility”) with Union Bank, N.A. (“Union Bank”). The amendment extends the maturity date of the Credit Facility to November 2, 2014, increases the size of the Credit Facility to \$55.0 million from \$20.0 million and adds a new lender, RBC Capital Markets. Union Bank and RBC Capital Markets have made commitments of \$30.0 million and \$25.0 million, respectively. The Credit Facility contains an accordion feature, in which the Company can increase the credit line up to an aggregate of \$150.0 million from additional lenders with the agreement of Union Bank and subject to other customary conditions. There can be no assurances that additional lenders will join the Credit Facility.

Borrowings under the Credit Facility will generally bear interest at a rate per annum equal to LIBOR plus 2.25% with a floor of 4.00%. The Credit Facility requires the payment of a non-use fee of 0.50% and has an advance rate equal to 50% of eligible loans placed in the collateral pool. The Credit Facility generally requires payment of interest on a monthly basis. All outstanding principal is due upon maturity.

The Company has various financial and operating covenants required by the Credit Facility. These covenants require the Company to maintain certain financial ratios and a minimum tangible net worth in an amount, when added to outstanding subordinated indebtedness, that is in excess of \$314.0 million plus 90% of the amount of net cash proceeds received from the sale of common stock after March 31, 2011. The Credit Facility provides for customary events of default, including, but not limited to, payment defaults, breach of representations or covenants, bankruptcy events and change of control.

The foregoing description of the Credit Facility does not purport to be complete and is qualified in its entirety by reference to the full text of the loan and security agreement attached hereto as Exhibit 10.1.

**AMENDED AND RESTATED
LOAN AND SECURITY AGREEMENT**

THIS AMENDED AND RESTATED LOAN AND SECURITY AGREEMENT (as amended, restated, supplemented or otherwise modified and in effect from time to time, this "Agreement"), is entered into as of November 2, 2011, by and among HERCULES TECHNOLOGY GROWTH CAPITAL, INC., a Maryland corporation ("Borrower"), UNION BANK, N.A. (in its individual capacity, "Bank") for itself as a Lender and as Agent for Lenders (in such capacity, the "Agent"), and the other Lenders party hereto from time to time.

RECITALS

A. Borrower and Bank, as agent (in such capacity the "Original Agreement Agent") and a lender (in such capacity the "Original Agreement Lender"), are parties to that certain Loan and Security Agreement dated as of February 10, 2010, as amended, modified, supplemented or restated from time to time (collectively, the "Original Agreement"). Borrower has requested that the Lenders party hereto extend to it credit on the terms and subject to the conditions set forth herein, and Borrower, Original Agreement Agent, Original Agreement Lender, Agent, and the Lenders wish to amend and restate, but without novation, the terms of the Original Agreement on the terms and subject to the conditions set forth herein.

B. The Lenders are prepared to extend such credit as aforesaid, but only on the terms and conditions set forth in this Agreement.

AGREEMENT

NOW THEREFORE, in consideration of the covenants and agreements set forth in this Agreement, and for other good and valuable consideration, the receipt and adequacy of which are hereby acknowledged, Borrower, Agent and Lenders agree as follows:

Capitalized terms used in this Agreement shall have the meanings ascribed to them in Schedule A and, for purposes of this Agreement and the other Loan Documents, the rules of construction set forth in Schedule A shall govern.

1. AMOUNT AND TERMS OF CREDIT

1.1 Loans.

(a) Advances. Subject to the terms and conditions of this Agreement, each Lender shall extend its Pro Rata Share of Loans to Borrower from time to time until the Borrowing Termination Date. The aggregate amount of Loans to Borrower outstanding at any time shall not exceed the Borrowing Availability at such time. Prior to the Borrowing Termination Date, Borrower may repay at any time any outstanding Loans and any amounts so repaid may be reborrowed, up to Net Borrowing Availability. Loans shall be evidenced by, and repayable in accordance with, the terms of this Agreement, and, if applicable, the Revolving Loan Notes. The Pro Rata Share of the Loans of any Lender shall not at any time exceed its separate Commitment. The obligations of each Lender hereunder shall be several and not joint.

(b) Loan Accounts: Revolving Loan Notes.

(1) Loan Accounts: Noteless Transaction. The Principal Debt owed to each Lender shall be evidenced by one or more loan accounts or records maintained by such Lender or by Agent in the ordinary course of business. Regardless of whether a Revolving Loan Note is issued with respect to such Principal Debt, Borrower absolutely and unconditionally promises to pay to the order of each Lender, in lawful money of the United States of America, the aggregate unpaid Principal Amount owed to such Lender, together with interest thereon in accordance with the terms hereof. The loan accounts or records maintained by Agent (including, without limitation, the Register) and each Lender shall be conclusive evidence absent manifest error of the amount of the Loans made to Borrower from each Lender under this Agreement and the interest and principal payments thereon. Any failure to so record or any error in doing so shall not, however, limit or otherwise affect the obligation of Borrower under the Loan Documents to pay any amount owing with respect to the Obligations. In the event of any conflict between the accounts and records maintained by any Lender and the accounts and records of Agent in respect of such matters, the accounts and records of such Lender shall control absent manifest error.

(2) Revolving Loan Notes. Upon the request of any Lender made through Agent, the Principal Debt owed to such Lender may be evidenced by a Revolving Loan Note dated as of the Closing Date (or such other date on which a Lender may become a party hereto in accordance with this Agreement) and being completed with appropriate insertions.

(3) Loan Reserves. Anything to the contrary in this **Section 1.1** notwithstanding, Agent shall have the right to establish reserves in such amounts, and with respect to such matters, as Agent in its Permitted Discretion shall deem necessary or appropriate, against the Borrowing Base, including reserves with respect to (i) sums that Borrower is required to pay (such as taxes, assessments, insurance premiums, or, in the case of leased assets, rents or other amounts payable under such leases) and has failed to pay under any Section of this Agreement or any other Loan Document, (ii) amounts owing by Borrower or any of its Subsidiaries to any Person to the extent secured by a Lien on, or trust over, any of the Collateral, which Lien or trust, in the Permitted Discretion of Agent likely would have a priority superior to Agent's Liens (such as Liens or trusts in favor of landlords, warehousemen, carriers, mechanics, materialmen, laborers, or suppliers, or Liens or trusts for ad valorem, excise, sales, or other taxes where given priority under applicable law) in and to such item of the Collateral, (iii) the valuation of any Eligible Note Receivable, the Collateral securing any Eligible Note Receivable, or other Collateral, and (iv) the aggregate amount of unfunded commitments of Borrower to the Account Debtors under Loan Paper included in the Borrowing Base (except that any such reserves referred to in this clause (iv) shall not limit the Borrower's ability to fund such commitments to such Account Debtors). So long as no Default or Event of Default has occurred and is continuing, Agent shall first notify and attempt to discuss with Borrower any such reserve that Agent proposes to establish unless Agent, in its Permitted Discretion, believes that exigent circumstances justify the immediate establishment of such reserve.

(c) Overadvances. Borrower shall immediately repay any Overadvance. Overadvances constitute Obligations that are secured by the Collateral and entitled to all of the benefits of the Loan Documents.

(d) Request and Disbursement. Borrower shall give to Agent irrevocable written notice in the form of **Exhibit C** (or telephonic notice confirmed in a writing in the form of **Exhibit C**) of each Loan requested hereunder (a "Loan Request") no later than 10:00 a.m. (California time), (a) one (1) Business Day prior to the proposed Drawdown Date of any Reference Rate Loan and (b) three (3) Business Days prior to the proposed Drawdown Date of any LIBOR Loan. Each Loan Request shall, among other things, specify (1) the proposed Drawdown Date of the Loan, which shall be a Business Day,

(2) the principal amount of the Loan, (3) whether it is to be a Reference Rate Loan or a LIBOR Loan, and (4) the LIBOR Loan Period, if applicable. Any notice in connection with a requested Loan under this Agreement that is received by Agent after 10:00 a.m. (California time) on any Business Day, or at any time on a day that is not a Business Day, shall be deemed received by Agent on the next Business Day. Each Loan Request shall be irrevocable and binding on Borrower and shall obligate Borrower to accept the Loan requested from the Lenders on the proposed Drawdown Date. Notwithstanding anything to the contrary contained herein, the Lenders shall not be required to purchase United States Dollar deposits in the London interbank market or other applicable LIBOR rate market to fund any LIBOR Loan, but the provisions hereof shall be deemed to apply as if the Lenders had purchased such deposits to fund the LIBOR Loan.

1.2 Interest Rate Election Provisions.

(a) Any Loan shall, at the option of Borrower, be made either as a Reference Rate Loan or as a LIBOR Loan; provided, that if a Default or Event of Default has occurred and is continuing, all Loans advanced or continued thereafter shall be made as Reference Rate Loans. If Borrower fails to give notice to Agent specifying whether any LIBOR Loan is to be repaid or reborrowed on a Payment Date, such LIBOR Loan shall be repaid and then reborrowed as a Reference Rate Loan on the Payment Date. Borrower shall give to Agent irrevocable notice of a request for a LIBOR Loan by telephone or facsimile transmission not later than three (3) Business Days prior to the date of the proposed LIBOR Loan. Agent shall determine the applicable LIBOR Basis as of the second Business Day prior to the date of the requested LIBOR Loan. Each determination by Agent of a LIBOR Basis shall, absent manifest error, be deemed final, binding and conclusive upon Borrower. The LIBOR Loan Period for each LIBOR Loan shall be fixed at one, two or three months. With respect to LIBOR Loans, (i) each LIBOR Loan shall be in a principal amount of not less than \$1,000,000 and in an integral multiple of \$500,000, and (ii) at no time shall there be more than five (5) LIBOR Loans outstanding.

(b) At least three (3) Business Days prior to each Payment Date for a LIBOR Loan, Borrower shall give irrevocable written notice in the form of Exhibit D (a “Notice of Continuation/ Conversion”) to Agent specifying whether all or a portion of such LIBOR Loan outstanding on such Payment Date (i) is to be repaid and then reborrowed in whole or in part as a new LIBOR Loan, in which case such notice shall also specify the LIBOR Loan Period that Borrower shall have selected for such new LIBOR Loan; provided, that if a Default or Event of Default has occurred and is continuing, then Borrower shall not have the option to repay and then reborrow such LIBOR Loan as a new LIBOR Loan, (ii) is to be repaid and then reborrowed in whole or in part as a Reference Rate Loan, or (iii) is to be repaid and not reborrowed; provided, that any such reborrowings described in **clauses (i) and (ii)** above shall be in a principal amount of not less than \$1,000,000 and in an integral multiple of \$500,000. Upon such Payment Date such LIBOR Loan will, subject to the provisions of this Agreement, be so repaid and, as applicable, reborrowed.

1.3 Payments of Interest and Principal.

(a) Payment of Interest. Interest on Loans shall be payable as follows:

(1) Reference Rate Loans. Interest on each outstanding Loan made as or converted into a Reference Rate Loan shall be computed for the actual number of days elapsed on the basis of a year of 360 days and shall be payable to Agent, for the ratable benefit of Lenders, in arrears (i) on the first Business Day of each calendar month after the Closing Date, (ii) on the Commitment Maturity Date, and (iii) if any interest accrues or remains payable after the Commitment Maturity Date or during the continuance of an Event of Default, upon demand by Agent. Interest shall accrue and be payable on

each such Reference Rate Loan at a per annum interest rate equal to the Reference Rate plus the Applicable Reference Rate Margin.

(2) LIBOR Loans. Interest on each outstanding Loan made as or converted into a LIBOR Loan shall be computed for the actual number of days elapsed on the basis of a year of 360 days and shall be payable to Agent, for the ratable benefit of Lenders, in arrears (i) on the last day of the applicable LIBOR Loan Period in the case of any LIBOR Loan with a LIBOR Loan Period of one, two or three months, (ii) on the Commitment Maturity Date, and (iii) if any interest accrues or remains payable after the Commitment Maturity Date or during the continuance of an Event of Default, upon demand by Agent. Interest shall accrue and be payable on each Loan made as a LIBOR Loan at a per annum interest rate equal to the LIBOR Basis applicable to such LIBOR Loan plus the Applicable LIBOR Margin.

(3) Default Rate. Upon the occurrence and during the continuance of an Event of Default, interest on all outstanding Obligations shall, upon the election of Agent (or upon the written request of Requisite Lenders), confirmed by written notice from Agent to Borrower, accrue and be payable at the Default Rate. Interest accruing at the Default Rate shall be payable to Agent, for the ratable benefit of Lenders, on demand and in any event on the Commitment Maturity Date. Agent shall not be required to (i) accelerate the maturity of the Loans, or (ii) exercise any other rights or remedies under the Loan Documents, in order to charge the Default Rate. Upon the occurrence and during the continuance of an Event of Default specified in **Sections 7.1(e), (f) or (g)**, the interest rate shall be increased automatically to the Default Rate without the necessity of any action by Agent or any Lender.

(b) Payment of Principal. On the Borrowing Termination Date, the entire outstanding principal amount of the Loans remaining unpaid, shall be converted to a term repayment obligation. Specifically, the principal balance of the Loans outstanding as of the Borrowing Termination Date shall be amortized and repaid in twelve (12) equal, consecutive monthly payments of principal, plus accrued and unpaid interest, commencing on December 1, 2013 and continuing on the first Business Day of each month thereafter through the Commitment Maturity Date, at which time all amounts owing in respect of the Loans shall be immediately due and payable.

1.4 Maximum Rate of Interest. In no event shall the aggregate of all interest on the Obligations charged or collected pursuant to the terms of this Agreement or pursuant to the Revolving Loan Notes exceed the highest rate permissible under any law that a court of competent jurisdiction shall, in a final determination, deem applicable. In the event that such a court determines that Agent or Lenders have charged or received interest under this Agreement or the Revolving Loan Notes in excess of the highest applicable rate, the rate in effect under this Agreement and the Revolving Loan Notes shall automatically be reduced to the maximum rate permitted by Applicable Law, and Agent or Lenders shall promptly apply such excess to reduce the principal balance of the Obligations, or if the principal balances of the Obligations owing have been paid in full, Agent or Lenders shall promptly apply such excess to reduce any other Obligations, and if all Obligations have been paid in full, then Agent or Lenders shall refund to Borrower any interest received by them in excess of the maximum lawful rate; provided, that if at any time thereafter the rate of interest payable hereunder is less than the highest applicable rate, Borrower shall continue to pay interest hereunder at the highest applicable rate, until such time as the total interest received by Agent or Lenders from the making of Loans hereunder is equal to the total interest that Agent or Lenders would have received had the interest rate payable hereunder been (but for the operation of this **Section 1.4**) the interest rate payable since the Closing Date as otherwise provided in this Agreement. It is the intent of this Agreement that Borrower not pay or contract to pay, and that Lenders not receive or contract to receive, directly or indirectly, interest in excess of that which may be paid by Borrower under Applicable Law.

1.5 Fees. Borrower shall pay to Agent:

(a) Agent's Fees. For the sole benefit of Agent, the fees, including the arrangement fee and annual administrative fees (the "Agent Fees") as set forth in the Fee Letter in the amounts and on the dates set forth therein, which fees shall be deemed fully-earned and nonrefundable as of the Closing Date.

(b) Unused Line Fee. The Unused Line Fee, for the account of each Lender in accordance with its daily average Pro Rata Share, for the previous calendar quarter payable in arrears on the first Business Day of each January, April, July and October, beginning on January 1, 2012, and on the Borrowing Termination Date. Such fee shall be fully-earned as of the last day of each such calendar quarter and shall be nonrefundable.

(c) Audit Fees and Expenses. The reasonable out-of-pocket expenses for each financial analysis and field examination of Borrower and the Collateral performed by Agent or its agents, plus any other out-of-pocket fees and expenses incurred by Agent with respect to any field examination of Borrower or the Collateral, when and as incurred. Such fees shall be fully earned when due and non-refundable; provided that so long as no Event of Default has occurred and is continuing, Borrower will not be charged for more than three (3) financial or collateral audits in any calendar year.

1.6 Repayment and Prepayment. Borrower shall pay the principal balance of the Loans and all other Obligations in full on the Commitment Maturity Date. The principal amount of any Reference Rate Loan may be prepaid prior to the Commitment Maturity Date at any time. The principal amount of any LIBOR Loan together with all accrued and unpaid interest thereon may be prepaid prior to the applicable Payment Date, upon three (3) Business Days' prior notice to Agent; provided, that Borrower shall reimburse Agent or any Lender entitled thereto at such time for any loss or out-of-pocket expense incurred by Agent or such Lender or other charges in connection with such prepayment, as set forth in **Sections 1.10, 10 and 11.3**. Each notice of prepayment shall be irrevocable.

1.7 Term. The Revolving Credit Facility shall be in effect until the Commitment Maturity Date unless terminated earlier pursuant to the terms of this Agreement. The Revolving Credit Facility and all other Obligations related thereto shall be automatically due and payable in full on the Commitment Maturity Date, unless earlier due and payable or terminated as provided in this Agreement.

1.8 [Reserved].

1.9 Notes and Accounting. Agent shall provide a quarterly accounting to Borrower of the Loans and other transactions under this Agreement, including Agent's calculation of principal, interest, expenses and the Borrowing Base during the preceding Fiscal Quarter. Each and every such accounting shall, absent manifest error, be deemed final, binding and conclusive upon Borrower, unless Borrower, within 30 days after the date any such accounting is rendered, provides Agent with written notice of any objection that Borrower may have to any item in such accounting, describing the basis for such objection with specificity. In that event, only those items expressly objected to in such notice shall be deemed to be disputed by Borrower and Agent's determination, based upon the facts available, of any such disputed item shall, absent manifest error, be deemed final, binding and conclusive upon Borrower.

1.10 Manner of Payment

(a) When Payments Due.

(1) Each payment (including any prepayment) by Borrower on account of the principal of or interest on the Loans and any other amount owed to Agent or any Lender on account of the Obligations shall be made not later than 10:00 a.m. (California time) on the date specified for payment under this Agreement to Agent for the benefit of such Lender in lawful money of the United States and in immediately available funds. Any payment received by Agent on a day that is not a Business Day or after 11:00 a.m. (California time) on a Business Day, shall be deemed received on the next Business Day.

(2) If any payment on any Obligation is specified to be made upon a day that is not a Business Day, it shall be deemed to be specified to be made on the next succeeding day that is a Business Day, and such extension of time shall in such case be included in computing interest and fees, if any, in connection with such payment.

(b) No Deductions. Borrower shall pay principal, interest, fees, and all other amounts due on the Obligations without set-off or counterclaim or any other defense whatsoever.

(c) Inadequate Payments. If, on the date on which any amount (including any payment of principal, interest or other costs and expenses) shall be due and payable by Borrower to Agent or any Lender, the amount received by Agent from Borrower shall not be adequate to pay the entire amount then due and payable, then Agent, on behalf of Agent and Lenders, shall be authorized, but shall not be obligated, to make a Reference Rate Loan to Borrower in the amount of the deficiency.

(d) Charges. Agent is authorized to, and at its sole election may, charge to the Loans on behalf of Borrower and cause to be paid all fees, expenses, charges, costs (including interest and principal other than principal of the Loans), owing by Borrower under this Agreement or any of the other Loan Documents if and to the extent Borrower fails to pay promptly any such amounts as and when due, even if the amount of such charges would exceed Borrowing Availability at such time or would cause the balance of the Loans to exceed the Borrowing Base after giving effect to such charges. At Agent's option and to the extent permitted by law, any charges so made shall constitute part of the Loans hereunder.

1.11 Withholding Taxes.

(a) All payments made by Borrower hereunder or under any note or other Loan Document will be made free and clear of, and without deduction or withholding for, any present or future Taxes, and in the event any deduction or withholding of Taxes is required, Borrower shall comply with the penultimate sentence of this **Section 1.11(a)**. "Taxes" shall mean, any taxes, levies, imposts, duties, fees, assessments or other charges of whatever nature now or hereafter imposed by any jurisdiction or by any political subdivision or taxing authority thereof or therein with respect to such payments (but excluding any tax imposed by any jurisdiction or by any political subdivision or taxing authority thereof or therein measured by or based on the net income or net profits of any Lender) and all interest, penalties or similar liabilities with respect thereto. If any Taxes are so levied or imposed, Borrower agrees to pay the full amount of such Taxes and such additional amounts as may be necessary so that every payment of all amounts due under this Agreement, any note, or other Loan Document, including any amount paid pursuant to this **Section 1.11(a)** after withholding or deduction for or on account of any Taxes, will not be less than the amount provided for herein; provided, however, that Borrower shall not be required to increase any such amounts if the increase in such amount payable results from Agent's or such Lender's own willful misconduct or gross negligence (as finally determined by a court of competent jurisdiction).

Borrower will furnish to Agent as promptly as possible after the date the payment of any Tax is due pursuant to applicable law certified copies of tax receipts evidencing such payment by Borrower.

(b) If a Lender claims an exemption or reduction from United States withholding tax, such Lender agrees with and in favor of Agent and Borrower, to deliver to Agent and Borrower:

(1) if such Lender claims an exemption from United States withholding tax pursuant to its portfolio interest exception, (A) a statement of the Lender, signed under penalty of perjury, that it is not a (I) a "bank" as described in Section 881(c)(3)(A) of the IRC, (II) a 10% shareholder of Borrower (within the meaning of Section 871(h)(3)(B) of the IRC), or (III) a controlled foreign corporation related to Borrower within the meaning of Section 864(d)(4) of the IRC, and (B) a properly completed and executed IRS Form W-8BEN, before receiving its first payment under this Agreement and at any other time reasonably requested by Agent or Borrower;

(2) if such Lender claims an exemption from, or a reduction of, withholding tax under a United States tax treaty, properly completed and executed IRS Form W-8BEN before receiving its first payment under this Agreement and at any other time reasonably requested by Agent or Borrower;

(3) if such Lender claims that interest paid under this Agreement is exempt from United States withholding tax because it is effectively connected with a United States trade or business of such Lender, two properly completed and executed copies of IRS Form W-8ECI before receiving its first payment under this Agreement and at any other time reasonably requested by Agent or Borrower; or

(4) such other form or forms, including IRS Form W-9, as may be required under the IRC or other laws of the United States as a condition to exemption from, or reduction of, United States withholding or backup withholding tax before receiving its first payment under this Agreement and at any other time reasonably requested by Agent or Borrower.

Such Lender agrees promptly to notify Agent and Borrower of any change in circumstances which would modify or render invalid any claimed exemption or reduction.

(c) If a Lender claims an exemption from withholding tax in a jurisdiction other than the United States, such Lender agrees with and in favor of Agent and Borrower, to deliver to Agent any such form or forms, as may be required under the laws of such jurisdiction as a condition to exemption from, or reduction of, foreign withholding or backup withholding tax before receiving its first payment under this Agreement and at any other time reasonably requested by Agent or Borrower.

Such Lender agrees promptly to notify Agent and Borrower of any change in circumstances which would modify or render invalid any claimed exemption or reduction.

(d) If any Lender claims exemption from, or reduction of, withholding tax and such Lender sells, assigns, grants a participation in, or otherwise transfers all or part of the Obligations of Borrower to such Lender, such Lender agrees to notify Agent and Borrower of the percentage amount in which it is no longer the beneficial owner of Obligations of Borrower to such Lender. To the extent of such percentage amount, Agent and Borrower will treat such Lender's documentation provided pursuant to **Sections 1.11(b) or 1.11(c)** as no longer valid. With respect to such percentage amount, such Lender may provide new documentation, pursuant to **Sections 1.11(b) or 1.11(c)**, if applicable.

(e) If any Lender is entitled to a reduction in the applicable withholding tax, Agent may withhold from any interest payment to such Lender an amount equivalent to the applicable withholding tax after taking into account such reduction. If the forms or other documentation required by **Sections 1.11(b)** or **1.11(c)** are not delivered to Agent or Borrower, then Agent or Borrower, as applicable, may withhold from any interest payment to such Lender not providing such forms or other documentation an amount equivalent to the applicable withholding tax.

(f) If the IRS or any other Governmental Authority of the United States or other jurisdiction asserts a claim that Agent did not properly withhold tax from amounts paid to or for the account of any Lender due to a failure on the part of the Lender (because the appropriate form was not delivered, was not properly executed, or because such Lender failed to notify Agent of a change in circumstances which rendered the exemption from, or reduction of, withholding tax ineffective, or for any other reason) such Lender shall indemnify and hold Agent harmless for all amounts paid, directly or indirectly, by Agent, as tax or otherwise, including penalties and interest, and including any taxes imposed by any jurisdiction on the amounts payable to Agent under this **Section 1.11**, together with all costs and expenses (including attorneys fees and expenses). The obligation of the Lenders under this subsection shall survive the payment of all Obligations and the resignation or replacement of Agent.

1.12 Application of Payments. Borrower irrevocably waives the right to direct the application of any and all payments received at any time by Agent from or on behalf of Borrower and specifically waives the provisions of California Civil Code sections 1479 and 2822 or similar provisions under any other Applicable Law giving Borrower the right to designate application of payments. Borrower irrevocably agrees that Agent, on behalf of Agent and Lenders, shall have the continuing exclusive right to determine the order and method of the application of payments against the then due and payable Obligations of Borrower in Agent's sole discretion and to revise such application prospectively or retroactively in Agent's sole discretion. As among Agent and Lenders, it is agreed that if at any time insufficient funds are received by and available to Agent to pay fully all amounts of principal, interest, fees and other amounts then due hereunder, such funds shall be applied (i) first, towards the reimbursement or payment, as applicable, of all fees, costs, indemnities and expenses owing to Agent, including amounts owing to Agent under **Sections 1.5, 11.3 and 11.4**, (ii) second, on a pro rata basis, towards payment of interest, fees and indemnities then due hereunder, ratably among the Lenders entitled thereto in accordance with the amounts of interest, fees and indemnities then due to such parties, and (iii) third, towards payment of principal of the Loans then due hereunder, ratably among the parties entitled thereto in accordance with the amounts of principal then due to such parties.

1.13 Use of Proceeds. The proceeds of the Loans shall be used by Borrower to finance Eligible Notes Receivable.

1.14 All Obligations to Constitute One Obligation. Obligations related to the Revolving Credit Facility constitute one general obligation of Borrower and shall be secured by the Liens granted to Agent, for the benefit of Agent and Lenders, upon all of the Collateral, and by all other Liens previously, now or at any time in the future granted by Borrower to Agent, for the benefit of Agent and Lenders, to the extent provided in the Collateral Documents.

1.15 Authorization to Make Loans. Agent, on behalf of Lenders, is authorized to make the Loans based on telephonic or other oral or written instructions received from any Person that Agent believes in good faith to be an authorized representative of Borrower, or at the discretion of Agent from time to time and without prior notice to Borrower, if such Loans are necessary to satisfy any of the Obligations including any principal, interest, fees, costs and expenses and all other payments as and when due and payable under any Loan Documents. Borrower consents to the recordation of any telephonic or

other communications between Agent and Borrower for the purpose of maintaining Agent's business records of such transactions.

1.16 Authorization to Debit or Charge Accounts. Borrower hereby authorizes Agent to debit or charge any of Borrower's bank accounts with Bank, from time to time and without prior notice to Borrower, to the extent necessary to pay for any principal, interest, fees, costs and expenses and all other payments as and when due and payable under any Loan Documents.

1.17 Increase of Commitments and Maximum Amount; Termination and Reduction of Commitments

(a) Additional Commitments. Provided there exists no Default or Event of Default, Borrower may from time to time request: (i) any one or more existing Lenders to increase their respective Commitments, or (ii) request other financial institutions first approved by Agent, in its sole and absolute discretion, to agree to a Commitment (each such existing Lender who has agreed to increase its Commitment or such other financial institution who has agreed to provide a new Commitment, an "Acceding Lender"), so that the total Commitments and the Maximum Amount may be increased by up to no more than Ninety-Five Million Dollars (\$95,000,000) in the aggregate (for a maximum of total Commitments of One Hundred Fifty Million Dollars (\$150,000,000)). Each such increase and new Commitment shall be subject to the prior satisfaction of the following conditions, as determined by Agent:

(1) Borrower shall have requested the increased or new Commitment in writing to Agent not less than thirty (30) days prior to the effective date of the proposed new or increased Commitment;

(2) the applicable Acceding Lender shall have underwritten and approved by its credit committees the proposed new or increased Commitment;

(3) there shall exist no Default or Event of Default both at the time of the request for the increase or new Commitment and at the time at which the increase or new Commitment becomes effective;

(4) Agent and the Requisite Lenders shall have provided their prior written consent to such increase or new Commitment, which consent shall be a matter of their sole and absolute discretion;

(5) Borrower shall deliver to Agent all documents (including, without limitation, new Notes and Loan Document modifications as Agent may reasonably request), legal opinions, certificates and instruments as Agent may require in its sole and absolute discretion in connection with such increase in the Commitments or new Commitment and shall pay all fees owing hereunder or under the Fee Letter in connection with such increased or new Commitment;

(6) no event, circumstance or condition shall exist which reasonably could be expected to have a Material Adverse Effect;

(7) as of the date of such increase or new Commitment, the representations and warranties contained in the Loan Documents shall be true and correct in all material respects, with the same force and effect as if made on and as of such date (except to the extent of changes in facts or circumstances that have been disclosed to the Lenders and do not constitute a Default or Event of Default under this Agreement or any other Loan Document, and except to the extent any such representation or

warranty is stated to relate solely to an earlier date, in which case such representation or warranty was true and correct in all material respects as of such earlier date); and

(8) each Acceding Lender shall have delivered to Agent, an Accession Agreement in substantially the form of Exhibit H hereto (an “Accession Agreement”) with Borrower and Agent and assuming thereunder an increased Commitment or a new Commitment in an amount to be agreed upon by Borrower, such Acceding Lender and Agent, to make Loans pursuant to the terms hereof together with such other documents, instruments and agreements as Agent may require, including a completed and executed administrative details reply, administrative questionnaire or similar document in form satisfactory to Agent.

A new Acceding Lender shall become party to this Agreement by entering into an Accession Agreement. Upon the due execution and delivery of each Accession Agreement and satisfaction of the foregoing conditions, the Maximum Amount shall thereupon be increased by the amount of such Acceding Lender’s Commitment; provided, that Agent shall have given its prior written consent to such accession, as Agent. No Lender is obligated to increase its Commitment under any circumstances whatsoever, and no Lender’s Commitment may be increased except by its execution and delivery of an Accession Agreement. On the effective date specified in any duly executed and delivered Accession Agreement: (1) the Acceding Lender, to the extent not already a Lender, shall be a “Lender” hereunder and a party hereto, entitled to the rights and benefits, and subject to the duties, of a Lender under the Loan Documents, (2) **Schedule C** hereto shall be deemed to be amended to reflect (a) the name, address, Commitment, Pro Rata Share of such Acceding Lender, (b) the Maximum Amount as increased by such Acceding Lender’s Commitment, and (c) the changes to the other Lenders’ respective Pro Rata Shares and any changes to the other Lenders’ respective Commitments (in the event such Lender is also the Acceding Lender) resulting from such assumption and such increased Maximum Amount, and (3) **Schedule D** shall be deemed to be amended to reflect such Acceding Lender’s wire transfer instructions specified in its Accession Agreement. Each Lender’s Pro Rata Share shall be recalculated to reflect the new proportionate share of the revised total Commitments and increased Maximum Amount. Upon request of any Acceding Lender, Borrower shall issue a Revolving Loan Note to evidence the Principal Amount of such Lender’s Commitment. All new Loans occurring after an increase of the total Commitments and the Maximum Amount shall be funded in accordance with each Lender’s revised Pro Rata Share.

(b) Permanent Reduction and Termination of Commitments. Borrower may, upon written notice to Agent, terminate the Commitments in their entirety or permanently reduce, whereupon the Commitments of the Lenders shall be reduced pro rata in accordance with their respective Pro Rata Shares of the amount specified in such notice or, as the case may be, terminated; provided that (i) any such notice shall be received by Agent not later than 8:00 a.m., five (5) Business Days prior to the date of termination or reduction, (ii) any such partial reduction shall be in a minimum amount of \$1,000,000 or an integral multiple thereof, and (iii) Borrower shall not terminate or reduce the Commitments if, after giving effect thereto and to any concurrent prepayments hereunder, the aggregate outstanding Obligations in respect of the Loans would exceed the lesser of (1) the Borrowing Base and (2) the aggregate Commitments of all Lenders. Promptly after receiving any notice of Borrower delivered pursuant to this **Section 1.17(b)**, Agent will notify the Lenders of the substance thereof. Upon the effective date of any such reduction or termination, Borrower shall pay to Agent, for the respective accounts of the Lenders, the full amount of any Unused Line Fee then accrued on the amount of the reduction. No reduction or termination of Commitments may be reinstated.

1.18 Bank Products. Borrower may request Bank Products from any Person to the extent permitted hereunder, including Bank Products from a Bank Product Provider. Each Bank Product Provider shall give prompt written notice to Agent of the Bank Products provided by it to Borrower. If Bank Products are provided by an Affiliate of a Lender, Borrower agrees to indemnify and hold Agent

and the Lenders harmless from any and all costs and obligations now or hereafter incurred by Agent or any of the Lenders which arise from any indemnity given to any such Affiliate related to such Bank Products. The agreement contained in this Section shall survive termination of this Agreement. Borrower acknowledges and agrees that the obtaining of Bank Products from a Bank Product Provider or its Affiliates (a) is in the sole and absolute discretion of such Bank Product Provider or such Affiliates, and (b) is subject to all rules and regulations of such Bank Product Provider and such Affiliates.

2. **CONDITIONS PRECEDENT**

2.1 **Conditions Precedent to Closing**. Neither Agent nor any Lender shall be obligated to make the initial Loans, or to take, fulfill, or perform any other action under this Agreement, until the following conditions have been satisfied to Agent's complete satisfaction or waived in writing by Agent and the Lenders:

(d) Agent and each Lender shall have completed their business and legal due diligence, including a Collateral audit and field examination, with results satisfactory to Agent;

(e) all of the representations and warranties of Borrower under this Agreement and the other Loan Documents shall be true and correct in all material respects at such date, except to the extent any such representations and warranties relate to an earlier date in which case such representations and warranties shall remain true and correct in all material respects as of such earlier date (provided that the foregoing materiality qualifications shall not apply to any representations and warranties that already are qualified or modified by materiality in the text thereof), and Agent shall have received a certificate, dated as of the Closing Date, to that effect signed by an Authorized Signatory;

Borrower, and each of its Subsidiaries, has made and will continue to make all filings with any Governmental Authority that are necessary or appropriate for the conduct of its business and has given and will continue to give all notices to the extent required for the ownership and operation of its property and the conduct of its business except where the failure to make or continue to make such filings or give such notices could not reasonably be expected to have a Material Adverse Effect.

Borrower shall notify Agent in writing promptly upon learning of the existence or commencement of any Claim commenced or, to the knowledge of Borrower, threatened against it or any of its Subsidiaries that: (1) could reasonably be expected to have a Material Adverse Effect whether or not determined adversely; or (2) regardless of amount (i) includes any demand for injunctive relief, or (ii) alleges criminal misconduct by Borrower or its Subsidiary.

All policies of insurance on personal property will include an endorsement, in form and substance acceptable to Agent, showing loss payable to Agent as its interests may appear, for the benefit of Agent and Lenders (Form 438 BFU or other form acceptable to Agent) and such other endorsements as Agent shall reasonably request. Such endorsement, or an independent instrument furnished to Agent, will provide that the insurer will give at least 30 days' prior written notice to Agent before any such policy or policies of insurance shall be altered or canceled (or, if such cancellation relates to a liability insurance policy and is due to non-payment of premium, at least 20 days' (or such greater time as Agent may agree in writing) notice) and that no act or default of Borrower or any other Person shall affect the right of Agent, on behalf of Agent and Lenders, to recover under such policy or policies of insurance in case of loss or damage. Borrower hereby directs all present and future insurers under its "All Risk" policies of insurance to pay all proceeds payable thereunder directly to Agent, for the benefit of Agent and Lenders. 6.5 Chattel Paper. With respect to each contract or lease included in the Collateral, under which Borrower, as lessor, leases property to third parties, where such leases fall within the definition of Chattel Paper, (i) each such contract and lease, and any supplements thereto, may be executed in original counterparts, but one and only one of which shall be designated the "Lessor's Original," (ii) only the Lessor's Original counterpart of each such lease and any supplement thereto shall be deemed to constitute "chattel paper" under the UCC, and (iii) each such lease and any supplement thereto shall contain a provision setting forth the terms contained in **clauses (i) and (ii)** of this sentence. Borrower shall conspicuously stamp the Lessor's Original counterpart of each such contract and lease and any supplement thereto entered into as of or after the Closing Date (and any other counterpart thereof that comes into Borrower's possession) with a legend, in form and substance satisfactory to Agent, clearly indicating that such lease and the property leased thereunder is subject to the security interest granted pursuant hereto.

6.6 Reinstatement. The provisions of this **Section 6** shall remain in full force and effect and continue to be effective even if: (a) any case, proceeding or petition is filed by or against Borrower under any Debtor Relief Law; (b) Borrower becomes insolvent or makes an assignment for the benefit of creditors; (c) a receiver or trustee is appointed for all or any significant part of Borrower's assets; or (d) at any time payment and performance of the Obligations, or any part thereof, is, pursuant to Applicable Law, rescinded or reduced in amount, or must otherwise be restored or returned by any obligee of the Obligations, whether as a "voidable preference," "fraudulent transfer" or otherwise, all as though such payment or performance had not been made. To the extent that any payment, or any part thereof, by or on behalf of Borrower is made to Agent or any Lender, or Agent or any Lender exercises its right of set-off, and such payment or the proceeds of such set-off or any part thereof is subsequently invalidated, rescinded, reduced, restored, returned, declared to be fraudulent or preferential, set aside or required (including pursuant to any settlement entered into by Agent or any Lender in its discretion) to be repaid to a trustee, receiver or any other party, in connection with any proceeding under any Debtor Relief Law or otherwise, then, the Obligations and Agent's Liens, for the benefit of Agent and the Lenders, in the Collateral shall be revived, reinstated and deemed reduced only by any amount paid and not so rescinded, reduced, restored or returned.

7. EVENTS OF DEFAULT; RIGHTS AND REMEDIES

7.1 Events of Default. The occurrence of any one or more of the following events (regardless of the reason therefor) shall constitute an "Event of Default" under this Agreement:

(a) Borrower fails to (a) make any payment of principal or interest in respect of any Obligations when due and payable or declared due and payable, or (b) make any other payment or pay any other Obligations within three (3) days after such Obligations are due and payable or are declared due and payable (which three (3) day cure period shall not apply to payments due on the Commitment Maturity Date); or

(b) Borrower Party shall fail or neglect to perform, keep or observe any of the covenants, promises, agreements, requirements, conditions or other terms or provisions contained in this Agreement or any of the other Loan Documents and such default shall have continued for a period of ten (10) Business Days or more after the occurrence thereof; provided, there shall be no grace period for failure to perform, keep or observe any of the covenants, promises, agreements, requirements, conditions or other terms or provisions contained in Sections 3.17, 3.18, 3.21, 3.22, 3.23, 3.24, 3.30, 3.31, or 3.32, or Section 4; or

(c)(i) Borrower or any Subsidiary (A) fails to make any payment when due (whether by scheduled maturity, required prepayment, acceleration, demand, or otherwise) in respect of any Indebtedness (other than the Obligations) having an aggregate principal amount (including amounts owing to all creditors under any combined or syndicated credit arrangement) of more than \$500,000, or (B) fails to observe or perform any other agreement or condition relating to any such Indebtedness or contained in any instrument or agreement evidencing, securing or relating thereto, or any other event occurs, the effect of which default or other event is to cause, or to permit the holder or holders of such Indebtedness (or a trustee or agent on behalf of such holder or holders) to cause, with the giving of notice if required, such Indebtedness to be demanded or to become due or to be repurchased, prepaid, defeased or redeemed (automatically or otherwise), or an offer to repurchase, prepay, defease or redeem such Indebtedness to be made, prior to its stated maturity or cash collateral in respect thereof to be demanded; or (ii) there occurs any a termination date under any Hedge Agreement resulting from (A) any event of default under such Hedge Agreement as to which Borrower or any Subsidiary is the defaulting party or (B) any termination event under such Hedge Agreement as to which Borrower or any Subsidiary is an affected party and, in either event, the liability owed by Borrower or such Subsidiary as a result thereof is greater than \$500,000;

(d) any representation or warranty in this Agreement or any other Loan Document, or in any written statement pursuant hereto or thereto, or in any report, financial statement or certificate made or delivered to Agent or any Lender by or on behalf of Borrower shall be untrue or incorrect in any material respect as of the date when made or deemed made; or

(e) any of the assets of Borrower or any of its Subsidiaries shall be attached, seized, levied upon or subjected to a writ or distress warrant; or come within the possession of any receiver, trustee, custodian or assignee for the benefit of creditors of Borrower or such Subsidiary, and shall remain unstayed or undismissed for 10 consecutive days; or any Person other than Borrower or such Subsidiary shall apply for the appointment of a receiver, trustee or custodian for the assets of Borrower or such Subsidiary and the order appointing such receiver, trustee or custodian shall remain unstayed or undismissed for 10 consecutive days; or Borrower or any of its Subsidiaries shall have concealed, removed or permitted to be concealed or removed, any part of its property with intent to hinder, delay or defraud its creditors or any of them or made or suffered a transfer of any of its property or the incurring of an obligation that may be fraudulent under any Debtor Relief Law or fraudulent transfer or other similar law; or

(f) a case or proceeding shall have been commenced involuntarily against Borrower or any of its Subsidiaries: (i) under any Debtor Relief Law and such case or proceeding continues undismissed or unstayed for 60 calendar days, or an order for relief is entered in any such case or

proceeding, (ii) in any court or other tribunal (A) seeking the appointment of a custodian, receiver, liquidator, assignee, trustee or sequestrator (or similar official) of such Person or of any substantial part of its properties, or (B) seeking a decree, order or other relief (1) for the reorganization or winding up or liquidation of the affairs of any such Person, and such case or proceeding shall remain undismissed or unstayed for 45 consecutive days or such court shall enter a decree or order granting the relief sought in such case or proceeding; or (2) invalidating or denying (x) any Person's right, power, or competence to enter into or perform any of its obligations under any Loan Document, or (y) the validity or enforceability of this Agreement or any other Loan Document or any action taken hereunder or thereunder; or

(g) Borrower or any of its Subsidiaries shall (1) institute or consent to the institution of any case or proceeding under any Debtor Relief Law, (2) make an assignment for the benefit of creditors; (3) apply for or consent to the appointment of or taking possession by a custodian, receiver, liquidator, assignee, trustee or sequestrator (or similar official) of any such Person or of any material part of its properties, (4) fail generally to pay (or admit in writing its inability to pay) its debts as such debts become due, or (5) take any action in furtherance of any such action; or

(h) a judgment or judgments (after the expiration of all times to appeal therefrom) for the payment of money in excess of \$500,000 in the aggregate shall be rendered against Borrower, unless the same shall be (i) fully covered by insurance and the issuer(s) of the applicable policies shall have acknowledged full coverage in writing within 10 days of such judgment, or (ii) vacated, stayed, bonded, paid or discharged within a period of 10 days from the date of such judgment; or

(i) any guaranty or any subordination agreement in favor of Agent or any Lender or any other Loan Document shall be terminated or otherwise cease to be in full force or effect, or Borrower shall take any steps to terminate any such agreement; or

(j) Borrower or any of its Subsidiaries is no longer Solvent or voluntarily or involuntarily liquidates, winds-up, dissolves or is dissolved, terminates or is terminated; or

(k) Agent determining that one or more conditions exist or events have occurred which have had a Material Adverse Effect; or

(l) Borrower or any Subsidiary is enjoined, restrained, or in any way prevented by the order of any court or other Governmental Authority, the effect of which order restricts such Person from conducting all or any material part of its business; or

(m) the loss, suspension, revocation or failure to renew any license or permit now held or hereafter acquired by Borrower, which loss, suspension, revocation or failure to renew could reasonably be expected to have a Material Adverse Effect; or

(n) any Lien or any provision of any Loan Document shall for any reason cease to be valid, binding and enforceable in accordance with its terms, or any Lien granted, or intended by the Loan Documents to be granted, to Agent, for the benefit of Agent and Lenders, shall cease to be a valid and perfected Lien having the first priority (or a lesser priority if expressly permitted in the Loan Documents) in any of the Collateral covered or purported to be covered thereby; or

(o) any Change of Control shall occur.

7.2 Remedies.

(a) If any Event of Default has occurred and is continuing, then Agent may, and at the written request of Requisite Lenders shall, exercise one or more of the following remedies: (1) upon notice to Borrower from Agent, increase the rate of interest applicable to the Loans to the Default Rate effective as of the date of the initial Event of Default, or (2) terminate or suspend its and the Lenders' obligations to make further Loans and terminate the Commitments. In addition, if any Event of Default shall have occurred and be continuing, then Agent may, and at the written request of Requisite Lenders, shall, without notice, take any one or more of the following actions: (i) declare all or any portion of the Obligations to be forthwith due and payable, whereupon such Obligations (other than Bank Products) shall become and be due and payable; (ii) require that all obligations relating to Bank Products be fully cash collateralized; or (iii) exercise any rights and remedies provided to Agent or Lenders under the Loan Documents or at law or equity, including all remedies provided under the UCC; provided, that upon the occurrence of an Event of Default specified in **Sections 7.1(e), (f) or (g)**, the Obligations shall become immediately due and payable (and any obligation of Lenders to make further Loans, if not previously terminated, shall immediately be terminated) without declaration, notice or demand by Agent or Lenders.

(b) In addition to all other rights and remedies of Agent and Lenders under this Agreement, Borrower expressly agrees that, upon the occurrence and during the continuance of any Event of Default, Agent may, and at the written request of Requisite Lenders shall, on behalf of Agent and Lenders, collect, receive, assemble, process, appropriate and realize upon the Collateral, or any part thereof, and may forthwith sell, lease, license, assign, give an option or options to purchase or otherwise dispose of and deliver said Collateral (or contract to do so), or any part thereof, in one or more parcels at public or private sale or sales, at any exchange at such prices as it may deem best, for cash or on credit or for future delivery without assumption of any credit risk. Agent, on behalf of Agent and Lenders, shall have the right upon any such public sale or sales and, to the extent permitted by law, upon any such private sale or sales, to purchase for the benefit of Agent and Lenders by credit bid the whole or any part of said Collateral so sold, free of any right or equity of redemption, which equity of redemption Borrower hereby releases. Such sales may be adjourned, or continued from time to time with or without notice. Agent, on behalf of Agent and Lenders, shall have the right to conduct such sales on Borrower's premises or elsewhere and shall have the right to use Borrower's premises without rent or other charge for such sales or other action with respect to the Collateral for such time or times as Agent deems necessary or advisable.

(c) Borrower further agrees, upon the occurrence and during the continuance of an Event of Default and at Agent's request, to assemble and cause its Subsidiaries to assemble the Collateral and make it available to Agent at places that Agent shall reasonably select, whether at Borrower's premises or elsewhere. Until Agent is able to effect a sale, lease, or other disposition of the Collateral, Agent shall have the right to complete, assemble, use or operate the Collateral or any part thereof, to the extent that Agent deems appropriate, for the purpose of preserving such Collateral or its value or for any other purpose. Agent shall have no obligation to Borrower to maintain or preserve the rights of Borrower as against third parties with respect to any Collateral while such Collateral is in the possession of Agent or Pledgeholder. Upon the occurrence and during the continuance of an Event of Default, Agent may, if it so elects, and at the written request of Requisite Lenders shall, seek the appointment of a receiver or keeper to take possession of any Collateral and to enforce any of Agent's remedies, on behalf of Agent and Lenders, with respect to such appointment without prior notice or hearing. To the maximum extent permitted by Applicable Law, Borrower waives all claims, damages, and demands against Agent, each Lender, their respective Affiliates, agents, and the officers and employees of any of them arising out of the repossession, retention or sale of any Collateral except such as are determined in a final judgment by a court of competent jurisdiction to have arisen solely out of the gross negligence or willful misconduct of such Person. Borrower agrees that 10 days' prior notice by Agent to Borrower of the time and place of

any public sale or of the time after which a private sale may take place is reasonable notification of such matters. Borrower shall remain liable for any deficiency if the proceeds of any sale or disposition of the Collateral are insufficient to pay all amounts to which Agent and Lenders are entitled.

(d) Agent's rights and remedies under this Agreement shall be cumulative and nonexclusive of any other rights and remedies that Agent, on behalf of Agent and Lenders, may have under any Loan Document or at law or in equity. Recourse to the Collateral shall not be required. All rights, remedies and powers provided in this Agreement may be exercised only to the extent that the exercise thereof does not violate any Applicable Law, and all provisions of this Agreement are intended to be subject to any Applicable Law that may be controlling and to be limited, to the extent necessary, so that they do not render this Agreement invalid, unenforceable, in whole or in part.

7.3 Waivers by Borrower. Except as otherwise provided in this Agreement and to the fullest extent permitted by Applicable Law, Borrower waives: (a) presentment, demand and protest, and notice of presentment, dishonor, intent to accelerate, acceleration, protest, default, nonpayment, maturity, release, compromise, settlement, extension or renewal of any or all Loan Documents, the Revolving Loan Notes, any notes, commercial paper, Accounts, Documents, Instruments, Chattel Paper and guaranties at any time held by Agent on which Borrower may in any way be liable, and hereby ratifies and confirms whatever Agent, on behalf of Agent and Lenders, may do in this regard; (b) all rights to notice and a hearing prior to Agent's taking possession or control of, or to Agent's replevy, attachment or levy upon, any Collateral or any bond or security that might be required by any court prior to allowing Agent to exercise any of its remedies; and (c) the benefit of all valuation, appraisal and exemption laws. Borrower acknowledges that it has been advised by counsel of its choice with respect to this Agreement, the other Loan Documents and the transactions evidenced hereby and thereby.

7.4 Proceeds. The Proceeds of any sale, disposition or other realization upon any Collateral shall be delivered to Agent and applied by Agent upon receipt, in the following order of priorities: first, to reimburse or pay in full the actual and reasonable expenses of Agent incurred in connection with such sale, disposition or other realization, including all other expenses, liabilities and advances incurred or made by Agent in connection therewith; second, to Pledgeholder to pay any fees or expenses owing under or in connection with the Possessory Collateral Agreement or the Custody Agreement; third, ratably, to Agent, for the benefit of Agent and Lenders, as specified in **Section 1.12** and to the Bank Product Providers with respect to obligations then owing under Bank Products permitted hereunder; and finally, after payment and satisfaction in full in cash of all of the Obligations (other than inchoate indemnification obligations), and after the payment by Agent of any other amount required by any provision of law, including Section 9608(a)(1) of the UCC (but only after Agent has received what Agent considers reasonable proof of a subordinate party's Lien), the surplus, if any, to Borrower or its representatives or to whomsoever may be lawfully entitled to receive the same, or as a court of competent jurisdiction may direct. Notwithstanding the foregoing, Obligations arising in respect of Bank Products shall be excluded from the application described above if Agent has not received written notice thereof, together with such supporting documentation as Agent may request, from the applicable Bank Product Provider. No Bank Product Provider who obtains the benefit of the provisions of this **Section 7.4** or any Guaranty shall have any right to notice of any action or to consent to, direct or object to any action hereunder or under any other Loan Document other than in its capacity as a Lender and, in such case, only to the extent expressly provided in the Loan Documents.

8. **ASSIGNMENT AND PARTICIPATIONS: APPOINTMENT OF AGENT**

8.1 **Assignment and Participations.**

(a) Borrower consents to any Lender's assignment of, or sale of participations in, at any time or times, the Loan Documents, Loans, and any Commitment or of any portion thereof or interest therein, including any Lender's rights, title, interests, remedies, powers, or duties thereunder, whether evidenced by a writing or not, to any Qualified Assignee. Any assignment by a Lender shall: (i) require the consent of Agent (which shall not be unreasonably withheld or delayed) and the execution of an Assignment and Assumption Agreement in substantially the form of **Exhibit G** hereto (an "**Assignment and Assumption Agreement**") or otherwise in form and substance satisfactory to, and acknowledged by, Agent; (ii) be conditioned on such assignee Lender representing to the assigning Lender and Agent that it is purchasing the applicable Loans and Commitments to be assigned to it for its own account, for investment purposes, and not with a view to the distribution thereof; (iii) if a partial assignment, be in an amount at least equal to \$5,000,000 and, after giving effect to any such partial assignment, the assigning Lender shall have retained Loans and Commitments in an amount at least equal to \$5,000,000; and (iv) include a payment to Agent of an assignment fee of \$5,000. From and after the effective date specified in each Assignment and Assumption pursuant to this **Section 8.1**, which effective date shall be at least five (5) Business Days after the execution thereof, (1) the assignee thereunder shall be a party hereto and, to the extent provided in such Assignment and Acceptance and this **Section 8.1**, have the rights and obligations of a Lender hereunder, (2) the assigning Lender shall, to the extent provided in such assignment and this **Section 8.1** and upon payment to Agent of the fee referred to above, be relieved of its obligations hereunder with respect to its Commitments or assigned portion thereof from and after the date of such assignment, and (3) **Schedules C** and **D** hereto shall be deemed amended to reflect the assignor's and assignee's respective new Commitments, Pro Rata Shares, addresses and wire transfer and payment instructions as provided in the Assignment and Acceptance and the notice given thereunder. Borrower hereby acknowledges and agrees that any assignment will give rise to a direct obligation of Borrower to the assignee and that the assignee shall be considered to be a "Lender." In all instances, each Lender's liability to make Loans hereunder shall be several and not joint and shall be limited to such Lender's Pro Rata Share of the applicable Commitment. In the event Agent or any Lender assigns or otherwise transfers all or any part of a Revolving Loan Note, Agent or any such Lender shall so notify Borrower and Borrower shall, upon the request of Agent or such Lender, execute new Revolving Loan Notes in exchange for the Revolving Loan Note being assigned. By executing and delivering an Assignment and Assumption, the parties to the assignment thereunder confirm to and agree with each other and the other parties hereto as follows:

(1) other than the representation and warranty that it is the legal and beneficial owner of the interest being assigned thereby free and clear of any adverse claim, the assigning Lender makes no representation or warranty, express or implied, and assumes no responsibility with respect to any statements, warranties or representations made in or in connection with this Agreement or the execution, legality, validity, enforceability, genuineness, sufficiency or value of this Agreement, the other Loan Documents or any other instrument or document furnished pursuant hereto or the attachment, perfection or priority of any security interest or mortgage;

(2) the assigning Lender makes no representation or warranty and assumes no responsibility with respect to the financial condition of Borrower and its Subsidiaries or any other Person primarily or secondarily liable in respect of any of the Obligations, or the performance or observance by Borrower and its Subsidiaries or any other Person primarily or secondarily liable in respect of any of the Obligations under this Agreement or any of the other Loan Documents or any other instrument or document furnished pursuant hereto or thereto;

(3) such assignee confirms that it has received a copy of this Loan Agreement, together with copies of the most recent financial statements referred to herein and such other documents and information as it has deemed appropriate to make its own credit analysis and decision to enter into such Assignment and Assumption;

(4) such assignee will, independently and without reliance upon the assigning Lender, Agent or any other Lender and based on such documents and information as it shall deem appropriate at the time, continue to make its own credit decisions in taking or not taking action under this Agreement;

(5) such assignee appoints and authorizes Agent to take such action as agent on its behalf and to exercise such powers under this Agreement and the other Loan Documents as are delegated to Agent by the terms hereof or thereof, together with such powers as are reasonably incidental thereto;

(6) such assignee agrees that it will perform in accordance with their terms all of the obligations that by the terms of this Agreement are required to be performed by it as a Lender; and

(7) such assignee represents and warrants that it is legally authorized to enter into such Assignment and Assumption.

(b) Agent, acting solely for this purpose as a non-fiduciary agent of Borrower, shall maintain at Agent's office a copy of each Assignment and Assumption delivered to it and a register for the recordation of the names and addresses of Lenders, and the Commitments of, and principal amounts of Loans owing to, each Lender pursuant to the terms hereof from time to time (the "Register"). The entries in the Register shall be conclusive as to the identity of the Lenders and their respective Commitments, and Borrower, Agent and Lenders may treat each Person whose name is recorded in the Register pursuant to the terms hereof as a Lender hereunder for all purposes of this Agreement, notwithstanding notice to the contrary. The Register shall be available for inspection by Borrower and any Lender at any reasonable time and from time to time upon reasonable prior notice. In addition, at any time that a request for a consent for a material or substantive change to the Loan Documents is pending, any Lender may request and receive from Agent a copy of the Register.

(c) Any grant, sale, transfer, assignment or conveyance of a participation by a Lender of all or any part of its Commitments shall be in an amount at least equal to \$5,000,000 and shall be made with the understanding that all amounts payable by Borrower hereunder shall be determined as if that Lender had not sold such participation, and that the holder of any such participation shall not be entitled to require such Lender to take or omit to take any action hereunder, except actions directly affecting (i) any reduction in the principal amount of, or interest rate or fees payable with respect to, any Loan in which such holder participates, (ii) any extension of the scheduled amortization of the principal amount of any Loan in which such holder participates or the final maturity date thereof, or (iii) any release of all or substantially all of the Collateral (other than in accordance with the terms of this Agreement, the Collateral Documents, or the other Loan Documents). Solely for purposes of **Section 10** and **Section 11.4**, Borrower acknowledges and agrees that a participation shall give rise to a direct obligation of Borrower to the participant and the participant shall be considered to be a "Lender." Except as set forth in the preceding sentence, Borrower shall not have any obligation or duty to any participant. Neither Agent nor any Lender (other than the Lender selling a participation) shall have any duty to any participant and may continue to deal solely with the Lender selling a participation as if no such sale had occurred.

(d) Except as expressly provided in this **Section 8.1**, no Lender shall, as between Borrower and that Lender, or between Agent and that Lender, be relieved of any of its obligations hereunder as a result of any sale, assignment, transfer, or negotiation of, or granting of a participation in, all or any part of the Loans, the Revolving Loan Notes, or other Obligations owed to such Lender.

(e) Borrower shall assist any Lender permitted to sell assignments or participations under this **Section 8.1** as reasonably required to enable the assigning or selling Lender to effect any such assignment or participation, including the execution and delivery of any and all agreements, notes, and other documents and instruments as shall be requested and the preparation of informational materials for, and the participation of management in meetings with, potential assignees or participants.

(f) A Lender may furnish any information concerning Borrower in the possession of such Lender from time to time to assignees and participants (including prospective assignees and participants) subject to the requirements of **Section 11.14**.

8.2 Appointment of Agent.

(a) Each Lender hereby designates Bank to act on behalf of all Lenders as Agent under this Agreement and the other Loan Documents. The provisions of this **Section 8.2** are solely for the benefit of Agent and Lenders and neither Borrower nor any other Person shall have any rights as a third party beneficiary of any of the provisions hereof. In performing its functions and duties under this Agreement and the other Loan Documents, Agent shall act solely as an agent of Lenders and does not assume and shall not be deemed to have assumed any obligation toward or relationship of agency or trust with or for Borrower or any other Person. Each Lender acknowledges and agrees that the use of the word "Agent" is for convenience only and that Bank is merely the representative of Lenders and only has the contractual duties set forth herein. Agent shall have no duties or responsibilities except for those expressly set forth in this Agreement and the other Loan Documents. The duties of Agent shall be ministerial and administrative in nature and Agent shall not have, or be deemed to have, by reason of this Agreement, any other Loan Document, or otherwise a fiduciary relationship in respect of any Lender. Neither Agent nor any of its Affiliates nor any of their respective officers, directors, employees, agents, or representatives shall be liable to any Lender for any action taken or omitted to be taken by it hereunder or under any other Loan Document, or in connection herewith or therewith, except for damages solely caused by its or their own gross negligence or willful misconduct as finally determined by a court of competent jurisdiction. Without limiting the generality of the foregoing, or of any other provision of the Loan Documents that provides rights or powers to Agent, each Lender hereby agrees that Agent shall have the right to exercise the following powers as long as this Agreement remains in effect: (a) maintain, in accordance with its customary business practices, ledgers and records reflecting the status of the Obligations, the Collateral, the collections of funds from Borrower and its Subsidiaries, and related matters, (b) execute or file any and all financing or similar statements or notices, amendments, renewals, supplements, documents, instruments, proofs of claim, notices and other written agreements with respect to the Loan Documents, (c) make Loans, for itself or on behalf of Lenders as provided in the Loan Documents, (d) exclusively receive, apply, and distribute the funds received from Borrower and any of its Subsidiaries as provided in the Loan Documents, (e) open and maintain such bank accounts and cash management accounts as Agent deems necessary and appropriate in accordance with the Loan Documents for the foregoing purposes with respect to the Collateral and collection of funds from Borrower and its Subsidiaries, (f) perform, exercise, and enforce any and all other rights and remedies of each Lender with respect to Borrower, the Obligations, the Collateral, the collection of funds from Borrower and its Subsidiaries, or otherwise related to any of same as provided in the Loan Documents, and (g) incur and pay any expenses as Agent may deem necessary or appropriate for the performance and fulfillment of its functions and powers pursuant to the Loan Documents.

(b) If Agent shall request instructions from the Requisite Lenders or all Lenders with respect to any act or action (including a failure to act) in connection with this Agreement or any other Loan Document, then Agent shall be entitled to refrain from taking such act or such action unless and until Agent shall have received instructions from the Requisite Lenders or all Lenders, as the case may be, and Agent shall not incur liability to any Person by reason of so refraining. Agent shall be fully justified in failing or refusing to take any action hereunder or under any other Loan Document if (i) such action would, in the opinion of Agent, be contrary to law or the terms of this Agreement or any other Loan Document, (ii) such action would, in the opinion of Agent, expose Agent to Environmental Liabilities and Costs, or (iii) Agent shall not first be indemnified to its satisfaction against any and all liability and expense that may be incurred by it by reason of taking or continuing to take any such action. No Lender shall have any right of action whatsoever against Agent as a result of Agent acting or refraining from acting hereunder or under any other Loan Document in accordance with the instructions of the Requisite Lenders or all Lenders, as applicable.

8.3 Delegation of Duties. Agent may execute any of its duties under this Agreement or any other Loan Document by or through agents, employees or attorneys-in-fact and shall be entitled to the advice of counsel concerning all matters pertaining to such duties. Agent shall not be responsible for the negligence or misconduct of any agent or attorney-in-fact that it selects as long as such selection was made without gross negligence or willful misconduct.

8.4 Agent's Reliance, Etc. Neither Agent nor any of its Affiliates nor any of their respective directors, officers, agents, or employees shall be liable for any action taken or omitted to be taken by it or them under or in connection with this Agreement or the other Loan Documents, except for damages solely caused by its or their own gross negligence or willful misconduct as finally determined by a court of competent jurisdiction. Agent: (a) may treat the payee of any Revolving Loan Note as the holder thereof until Agent receives written notice of the assignment or transfer thereof signed by such payee and in form satisfactory to Agent; (b) may consult with legal counsel, independent public accountants, and other experts selected by it and shall not be liable for any action taken or omitted to be taken in good faith by it in accordance with the advice of such counsel, accountants, or experts; (c) makes no warranty or representation to any Lender and shall not be responsible to any Lender for any statements, warranties, or representations made in or in connection with this Agreement or the other Loan Documents; (d) shall not have any duty to ascertain or to inquire as to the performance or observance of any of the terms, covenants, or conditions of this Agreement or the other Loan Documents on the part of Borrower or to inspect the Collateral (including Borrower's Books and Records); (e) shall not be responsible to any Lender for the due execution, legality, validity, enforceability, genuineness, sufficiency, or value of this Agreement or the other Loan Documents or any other instrument or document furnished pursuant hereto or thereto; and (f) shall incur no liability under or in respect of this Agreement or the other Loan Documents by acting upon any notice, consent, certificate, or other instrument or writing (which may be by facsimile transmission) believed by it to be genuine and signed or sent by the proper party or parties.

8.5 Bank and Affiliates. With respect to its Commitments hereunder, Bank shall have the same rights and powers under this Agreement and the other Loan Documents as any other Lender and may exercise the same as though it were not Agent, and the terms "Lender" or "Lenders" shall, unless otherwise expressly indicated, include Bank in its individual capacity. Bank and its Affiliates may lend money to, invest in, and generally engage in any kind of business with, Borrower, any of its Affiliates, and any Person who may do business with or own securities of Borrower or any such Affiliate, all as if Bank were not Agent and without any duty to account therefor to Lenders. Bank and its Affiliates may accept fees and other consideration from Borrower for services in connection with this Agreement or otherwise without having to account for the same to Lenders. Each Lender acknowledges the potential conflict of interest between Bank as a Lender holding disproportionate interests in the Loans and Bank as Agent.

8.6 Lender Credit Decision. Each Lender acknowledges that it has, independently and without reliance upon Agent or any other Lender and based on the Financial Statements referred to in **Section 3.4** and such other documents and information as it has deemed appropriate, made its own credit and financial analysis of Borrower and its own decision to enter into this Agreement. Each Lender also acknowledges that it will, independently and without reliance upon Agent or any other Lender and based on such documents and information as it shall deem appropriate at the time, continue to make its own credit decisions in taking or not taking action under this Agreement. Each Lender acknowledges the potential conflict of interest of each other Lender as a result of Lenders holding disproportionate interests in the Loans and expressly consents to, and waives any claim based upon, such conflict of interest.

8.7 Indemnification. Lenders agree to indemnify Agent (to the extent not reimbursed by Borrower and without limiting the obligations of Borrower hereunder), ratably according to their respective Pro Rata Shares, from and against any and all liabilities, obligations, losses, damages, penalties, actions, judgments, suits, costs, expenses, or disbursements of any kind or nature whatsoever that may be imposed on, incurred by, or asserted against Agent in any way relating to or arising out of this Agreement or any other Loan Document or any action taken or omitted to be taken by Agent in connection therewith; provided, that no Lender shall be liable for any portion of such liabilities, obligations, losses, damages, penalties, actions, judgments, suits, costs, expenses, or disbursements resulting solely from Agent's gross negligence or willful misconduct as finally determined by a court of competent jurisdiction. Without limiting the foregoing, each Lender agrees to reimburse Agent promptly upon demand for its ratable share of any out-of-pocket expenses (including counsel fees) incurred by Agent in connection with the preparation, execution, delivery, administration, modification, amendment, or enforcement (whether through negotiations, legal proceedings, or otherwise) of, or legal advice in respect of rights or responsibilities under, this Agreement and each other Loan Document, to the extent that Agent is not reimbursed for such expenses by Borrower.

8.8 Successor Agent. Agent may resign at any time by giving not less than 30 days' prior written notice thereof to Lenders and Borrower. Upon any such resignation, Requisite Lenders shall have the right to appoint a successor Agent. If no successor Agent shall have been so appointed by the Requisite Lenders and shall have accepted such appointment within 30 days after the resigning Agent's provision of notice of resignation, then the resigning Agent may, on behalf of Lenders, appoint a successor Agent, which shall be a Lender, if a Lender is willing to accept such appointment, or otherwise shall be a commercial bank or financial institution or a Subsidiary of a commercial bank or financial institution if such commercial bank or financial institution is organized under the laws of the United States or of any state thereof and has a combined capital and surplus of at least \$300,000,000. If no successor Agent has been appointed pursuant to the foregoing within 30 days following the date such notice of resignation was given by the resigning Agent, then such resignation shall become effective as of the end of such period and the Requisite Lenders shall thereafter perform all the duties of Agent hereunder until such time, if any, as the Requisite Lenders shall appoint a successor Agent as provided above. Any successor Agent appointed by Requisite Lenders hereunder shall be subject to the approval of Borrower, which approval shall not be unreasonably withheld or delayed; provided, that such approval shall not be required if a Default or an Event of Default shall have occurred and be continuing. Upon the acceptance of any appointment as Agent hereunder by a successor Agent, such successor Agent shall succeed to and become vested with all the rights, powers, privileges, and duties of the resigning Agent. Upon the earlier of the acceptance of any appointment as Agent hereunder by a successor Agent or the effective date of the resigning Agent's resignation, the resigning Agent shall be discharged from its duties and obligations under this Agreement and the other Loan Documents, except that any indemnity rights or other rights in favor of such resigning Agent shall continue. After any resigning Agent's resignation hereunder, the provisions of this **Section 8** shall inure to its benefit as to any actions taken or omitted to be taken by it while it was Agent under this Agreement and the other Loan Documents.

8.9 Set-off and Sharing of Payments. In addition to any rights now or hereafter granted under applicable law and not by way of limitation of any such rights, upon the occurrence and during the continuance of any Event of Default, each Lender is hereby authorized at any time or from time to time, without notice to Borrower or to any other Person, any such notice being hereby expressly waived by Borrower, to offset and to appropriate and apply any and all balances held by it at any of its offices for the account of Borrower (regardless of whether such balances are then due to Borrower) and any other properties or assets at any time held or owing by that Lender to or for the credit or for the account of Borrower against and on account of any of the Obligations that are not paid when due. Any Lender exercising a right to offset or otherwise receiving any payment on account of the Obligations in excess of its Pro Rata Share thereof shall purchase for cash (and the other Lenders shall sell) such participations in each such other Lender's Pro Rata Share of the Obligations as would be necessary to cause such Lender to share the amount so offset or otherwise received with each other Lender in accordance with their respective Pro Rata Shares. Borrower agrees, to the fullest extent permitted by law, that (a) any Lender may exercise its right to offset with respect to amounts in excess of its Pro Rata Share of the Obligations and may sell participations in such amount so offset to other Lenders and (b) any Lender so purchasing a participation in the Loans made or other Obligations held by other Lenders or holders may exercise all rights of offset, bankers' lien, counterclaim or similar rights with respect to such participation as fully as if such Lender were a direct holder of the Loans and the other Obligations in the amount of such participation. Notwithstanding the foregoing, if all or any portion of the offset amount or payment otherwise received is thereafter recovered from the Lender that has exercised the right of set-off, the purchase of participations by that Lender shall be rescinded and the purchase price restored without interest.

8.10 Settlement Procedures; Information; Actions in Concert.

(a) Settlement Procedures.

(1) The balance of the Loans may fluctuate from day to day due to Agent's disbursement of funds to, and receipt of funds from, Borrower. In order to minimize the frequency of transfers of funds between Agent and Lenders, Loans may be made by Agent, and payments in respect thereof shall be settled, according to the procedures set forth in this **Section 8.10(a)**. Notwithstanding these procedures, each Lender's obligation to fund its Pro Rata Share of any Loan made to Borrower shall commence on the date such Loan is made. Such payments shall be made by each Lender without set-off, counterclaim, or reduction of any kind.

(2) Subject to the terms and provisions of this Agreement, Agent (i) shall fund any Loan to the extent that Agent has received any Lender's Pro Rata Share of such Loan and (ii) may, in its sole discretion in reliance on the assumption that each Lender has timely made, or will timely make, its Pro Rata Share of each Loan available to Agent, fund the entire amount of any Loan requested by Borrower even if Agent has not received each Lender's Pro Rata Share of such Loan. In the event Agent makes such election, such Loan made by Agent shall be deemed and shall constitute, as of the date of making thereof, a Loan made by each of the applicable Lenders in an amount equal to such Lender's Pro Rata Share thereof, and each such Lender shall be obligated to deliver to Agent its Pro Rata Share of such Loan on proposed funding date for such Loan in accordance with this **Section 8.10**. Notwithstanding anything to the contrary contained in this Agreement, for purposes of calculating interest payable to any Lender, (A) Agent shall be deemed a "Lender" with respect to any outstanding Loan funded by Agent and (B) the amount of the Loan of any Lender that is outstanding on any day shall (x) exclude any Loan with respect to which such Lender has not funded its Pro Rata Share and that has been funded entirely by Agent and (y) include Loans of such Lender that have been repaid by Borrower to Agent but not yet received by such Lender from Agent.

(3) [Reserved].

(4) Prior to 10:00 a.m. (California time) on any date specified for a borrowing of a Loan, Agent may notify each applicable Lender by telephone, facsimile, or other form of teletransmission of the requested Loan. Not later than 11:00 a.m. (California time) on the date of such proposed Loan, each such applicable Lender shall make available to Agent, in same day funds by wire transfer to such account of Agent set forth in **Schedule D**, such Lender's Pro Rata Share of such Loan. Notwithstanding the foregoing, to the extent that there are available funds in the Collection Account, Agent may, in its sole discretion, notify each such Lender that such Lender's obligation to make available to Agent same day funds as provided in the preceding sentence shall be satisfied to the extent of its Pro Rata Share out of such funds in the Collection Account or such portion of such funds as Agent shall indicate are to be applied to fund such Loan.

(5) Agent will promptly advise each Lender by telephone or facsimile of the amount of such Lender's Pro Rata Share of principal, interest, and fees paid to Agent for the benefit of Lenders with respect to each applicable Loan. Provided that such Lender is not a Defaulting Lender and has made all payments required to be made by it and purchased all participations required to be purchased by it under this Agreement and the other Loan Documents as of date, Agent will pay to each Lender such Lender's Pro Rata Share of principal, interest, and fees paid by Borrower to Agent for the benefit of that Lender on the Loans held by it. Such payments shall be made by wire transfer to such Lender's account (as specified by such Lender in **Schedule D** or the applicable Assignment Agreement) not later than 1:00 p.m. (California time) on the Business Day immediately succeeding the date of receipt by Agent. Agent may assume that Borrower has made each payment owing to Agent for the account of the Lenders on the date such payment is due in accordance herewith and may, in reliance upon such assumption, distribute to the Lenders the amount due. In such event, if Borrower has not in fact made such payment, then each of the Lenders severally agrees to repay to Agent forthwith on demand the amount so distributed to such Lender, with interest thereon, for each day from and including the date such amount is distributed to it to but excluding the date of payment to Agent, at the greater of: (a) the Federal Funds Rate for the first three (3) Business Days for which such amount remains unpaid, and thereafter at the Reference Rate, and (b) a rate determined by Agent in accordance with the banking industry rules on inter-bank compensation.

(b) Availability of Lender's Pro Rata Share. Agent may assume that each Lender has made, or will make, its Pro Rata Share of each Loan available to Agent on each proposed funding date, and may, in its sole discretion, in reliance on such assumption, make available to Borrower a corresponding amount. In such event, if a Lender has not in fact made its Pro Rata Share of the applicable Loan available to Agent on such date, then the applicable Lender and Borrower severally agree to pay to Agent forthwith on demand such corresponding amount, without set-off, counterclaim, or deduction of any kind, together with interest thereon, for each day from and including such date to but excluding the day such amount is made available to Agent, at (i) in the case of such Lender, the greater of: (a) the Federal Funds Rate for the first three (3) Business Days for which such amount remains unpaid, and thereafter at the Reference Rate, and (b) a rate determined by Agent in accordance with the banking industry rules on inter-bank compensation, for the period until such Lender makes such amount immediately available to Agent, and (ii) in the case of Borrower, at the applicable interest rate provided in **Section 1.3** on Reference Rate Loans (without limiting any claim that Borrower may have against such Lender). If such Lender shall pay to Agent such corresponding amount, such amount so paid shall constitute such Lender's Loan and, if both such Lender and Borrower shall have paid and repaid, respectively, such corresponding amount, Agent shall promptly pay over to Borrower such corresponding amount in same day funds, but Borrower shall remain obligated for all interest thereon. Nothing in this **Section 8.10(b)** or elsewhere in this Agreement or the other Loan Documents shall be deemed to require Agent to advance funds on behalf of any Lender or to relieve any Lender from its obligation to fulfill its Commitments hereunder or to prejudice any rights that Borrower may have against any Lender as a result

of any default by such Lender hereunder. To the extent that Agent advances funds to Borrower on behalf of any Lender and is not reimbursed therefor on the same Business Day as such advance is made, Agent shall be entitled to retain for its account all interest accrued on such advance until reimbursed by the applicable Lender. Any payment by Borrower shall be without prejudice to any claim Borrower may have against a Lender that shall have failed to make such payment to Agent.

(c) Return of Payments.

(1) If Agent pays an amount to a Lender under this Agreement in the belief or expectation that a related payment has been or will be received by Agent from Borrower and such related payment is not received by Agent, then Agent will be entitled to recover such amount from such Lender on demand without set-off, counterclaim, or deduction of any kind.

(2) If Agent determines at any time that any amount received by Agent under this Agreement must be returned to Borrower or paid to any other Person pursuant to any insolvency law or otherwise, then, notwithstanding any other term or condition of this Agreement or any other Loan Document, Agent will not be required to distribute any portion thereof to any Lender. In addition, each Lender will repay to Agent on demand any portion of such amount that Agent has distributed to such Lender, together with interest at such rate, if any, as Agent is required to pay to Borrower or such other Person, without set-off, counterclaim, or deduction of any kind.

(d) [Reserved].

(e) Dissemination of Information. Agent will use reasonable efforts to provide Lenders with any notice of Default or Event of Default received by Agent from, or delivered by Agent to Borrower, with notice of any Event of Default of which Agent has actually become aware, and with notice of any action taken by Agent following any Event of Default; provided, that Agent shall not be liable to any Lender for any failure to do so, except to the extent that such failure is attributable solely to Agent's gross negligence or willful misconduct as finally determined by a court of competent jurisdiction.

(f) Actions in Concert. Anything in this Agreement to the contrary notwithstanding, each Lender hereby agrees with each other Lender that no Lender shall take any action to protect or enforce its rights arising out of this Agreement or the Revolving Loan Notes (including exercising any rights of set-off) without first obtaining the prior written consent of Agent or Requisite Lenders, it being the intent of Lenders that any such action to protect or enforce rights under this Agreement and the Revolving Loan Notes shall be taken in concert and at the direction or with the consent of Agent or the Requisite Lenders.

8.11 Concerning the Collateral and the Related Loan Documents. Each Lender authorizes and directs Agent to enter into the other Loan Documents, for the ratable benefit and obligation of Agent and the Lenders. Each Lender agrees that any action taken by Agent or the Requisite Lenders, as applicable, in accordance with the terms of this Agreement or the other Loan Documents, and the exercise by Agent or the or the Requisite Lenders, as applicable, of their respective powers set forth therein or herein, together with such other powers that are reasonably incidental thereto, shall be binding upon all of the Lenders. The Lenders acknowledge that the Loans, Bank Products and all interest, fees and expenses hereunder constitute one Indebtedness, secured pari passu by all of the Collateral.

8.12 Agency for Perfection. Agent hereby appoints each other Lender as its agent (and each Lender hereby accepts such appointment) for the purpose of perfecting the Lien of Agent, for the benefit of Agent and Lenders, in assets which, in accordance with Article 9 of the Code can be perfected only by possession or control. Should any Lender obtain possession or control of any such Collateral, such

Lender shall notify Agent thereof, and, promptly upon Agent's request therefor shall deliver possession or control of such Collateral to Agent or in accordance with Agent's instructions.

8.13 Legal Representation of Agent. In connection with the negotiation, drafting, and execution of this Agreement and the other Loan Documents, or in connection with future legal representation relating to loan administration, amendments, modifications, waivers, or enforcement of remedies, DLA has only represented and shall only represent Bank in its capacity as Agent and as a Lender. Each other Lender hereby acknowledges that DLA does not represent such Lender in connection with any such matters.

8.14 No Other Duties, etc. Anything herein to the contrary notwithstanding, no of arranger or other agents (other than the Agent) listed on the cover page hereof shall have any powers, duties or responsibilities under this Agreement or any of the other Loan Documents, except in its capacity, as applicable, as Agent or a Lender hereunder.

8.15 Defaulting Lenders. Notwithstanding anything to the contrary contained in this Agreement, if any Lender becomes a Defaulting Lender, then, until such time as such Lender is no longer a Defaulting Lender, to the extent permitted by applicable law:

(a) Waivers and Amendments. Such Defaulting Lender's right to approve or disapprove any amendment, waiver or consent with respect to this Agreement shall be restricted as set forth in **Section 11.2**.

(b) Defaulting Lender Waterfall. Any payment of principal, interest, fees or other amounts received by Agent for the account of such Defaulting Lender (whether voluntary or mandatory, at maturity, or otherwise) or received by Agent from a Defaulting Lender pursuant to **Section 8.9** shall be applied at such time or times as may be determined by Agent as follows: *first*, to the payment of any amounts owing by such Defaulting Lender to Agent hereunder; *second*, as the Borrower may request (so long as no Default or Event of Default exists), to the funding of any Loan in respect of which such Defaulting Lender has failed to fund its portion thereof as required by this Agreement, as determined by Agent; *third*, if so determined by Agent and Borrower, to be held in a deposit account and released pro rata in order to satisfy such Defaulting Lender's potential future funding obligations with respect to Loans under this Agreement; *fourth*, to the payment of any amounts owing to the Lenders as a result of any judgment of a court of competent jurisdiction obtained by any Lender against such Defaulting Lender as a result of such Defaulting Lender's breach of its obligations under this Agreement; *fifth*, so long as no Default or Event of Default exists, to the payment of any amounts owing to Borrower as a result of any judgment of a court of competent jurisdiction obtained by Borrower against such Defaulting Lender as a result of such Defaulting Lender's breach of its obligations under this Agreement; and *sixth*, to such Defaulting Lender or as otherwise directed by a court of competent jurisdiction; provided that if (x) such payment is a payment of the principal amount of any Loans in respect of which such Defaulting Lender has not fully funded its appropriate share, and (y) such Loans were made at a time when the conditions set forth in **Section 2.2** were satisfied or waived, such payment shall be applied solely to pay the Loans of all Lenders that are not Defaulting Lenders on a pro rata basis prior to being applied to the payment of any Loans of such Defaulting Lender until such time as all Loans are held by the Lenders pro rata in accordance with the Commitments. Any payments, prepayments or other amounts paid or payable to a Defaulting Lender that are applied (or held) to pay amounts owed by a Defaulting Lender or to post cash collateral pursuant to this Section shall be deemed paid to and redirected by such Defaulting Lender, and each Lender irrevocably consents hereto.

(c) Certain Fees. No Defaulting Lender shall be entitled to receive any Unused Line Fee for any period during which that Lender is a Defaulting Lender (and Borrower shall not be required to pay any such fee that otherwise would have been required to have been paid to that Defaulting Lender).

If Borrower and Agent agree in writing that a Lender is no longer a Defaulting Lender, Agent will so notify the parties hereto, whereupon as of the effective date specified in such notice and subject to any conditions set forth therein (which may include arrangements with respect to any cash collateral), that Lender will, to the extent applicable, purchase at par that portion of outstanding Loans of the other Lenders or take such other actions as Agent may determine to be necessary to cause the Loans to be held pro rata by the Lenders in accordance with the Commitments, whereupon such Lender will cease to be a Defaulting Lender; provided that no adjustments will be made retroactively with respect to fees accrued or payments made by or on behalf of Borrower while that Lender was a Defaulting Lender; and provided, further, that except to the extent otherwise expressly agreed by the affected parties, no change hereunder from Defaulting Lender to Lender will constitute a waiver or release of any claim of any party hereunder arising from that Lender's having been a Defaulting Lender.

9. **SUCCESSORS AND ASSIGNS**

Each Loan Document shall be binding on and shall inure to the benefit of Borrower, Agent, Lenders, and their respective successors and assigns, except as otherwise provided herein or therein. Borrower shall not assign, transfer, hypothecate or otherwise convey its rights, benefits, obligations or duties under any Loan Document without the prior written consent of Agent and the Requisite Lenders. Any such purported assignment, transfer, hypothecation or other conveyance by Borrower without the prior express written consent of Agent and the Requisite Lenders shall be void. The terms and provisions of this Agreement and the other Loan Documents are for the purpose of defining the relative rights and obligations of Borrower, Agent, and Lenders with respect to the transactions contemplated hereby and thereby, and there shall be no third party beneficiaries of any of the terms and provisions of any of the Loan Documents. Agent and each Lender reserves the right at any time to create and sell a participation in any portion of the Loans and the Loan Documents, in accordance with the terms hereof, and to sell, transfer or assign any or all of its rights in the Loans and under the Loan Documents, in accordance with the terms hereof, and Borrower consents to any Lender's sale of participations in, at any time or times, the Loan Documents, Loans, or of any portion thereof or interest therein, including such Lender's rights, title, interests, remedies, powers, or duties thereunder, whether evidenced by a writing or not, to any bank or other financial institution.

10. **YIELD PROTECTION**

10.1 LIBOR Basis Determination. If, with respect to any proposed LIBOR Loan for any LIBOR Loan Period, any Lender determines that deposits in Dollars (in the applicable amount) are not being offered to such Lender in the relevant market for such LIBOR Loan Period, then such Lender shall give notice thereof to Borrower (with a copy of such notice to Agent), whereupon the obligations of such Lender to make LIBOR Loans shall be suspended until such Lender notifies Borrower (with a copy of such notice to Agent) that the circumstances giving rise to such situation no longer exist.

10.2 Illegality. If any (a) Applicable Law or any Change in Law, (b) interpretation or change in interpretation or administration thereof by any Governmental Authority, central bank, or comparable agency charged with the interpretation or administration thereof, or (c) compliance by any Lender with any request or directive (whether or not having the force of law) of any such authority, central bank, or comparable agency, shall make it unlawful or impossible for such Lender to make, maintain, or fund any LIBOR Loans, then such Lender shall give notice thereof to Agent and Borrower. Upon receipt of such notice, Borrower shall repay in full the then outstanding principal amount of each affected LIBOR Loan,

together with accrued interest thereon, either (i) on the last day of the then current LIBOR Loan Period applicable to such LIBOR Loan if such Lender may lawfully continue to maintain and fund such LIBOR Loan to such day or (ii) immediately if Lender determines it may not lawfully continue to fund and maintain such LIBOR Loan to such day. Concurrently with repaying each affected LIBOR Loan, Borrower shall borrow a Reference Rate Loan (or another type of LIBOR Loan, if available) from Lenders, and Lenders shall make such Loan in an amount such that the outstanding principal amount of the Loans immediately following such repayment shall equal the outstanding principal amount of the Loans immediately prior to such repayment.

10.3 Increased Costs.

(a) If any Applicable Law or any Change in Law, or any interpretation or change in interpretation or administration thereof by any Governmental Authority, central bank, or comparable agency charged with the interpretation or administration thereof or compliance by any Lender with any request or directive (whether or not having any such authority) by any Governmental Authority, central bank, or comparable agency:

(1) shall subject such Lender to any tax, duty, or other charge with respect to its obligation to make LIBOR Loans, or its LIBOR Loans, or shall change the basis of taxation of payments to such Lender of the principal of or interest on its LIBOR Loans or in respect of any other amounts due under this Agreement in respect of its LIBOR Loans or its obligation to make LIBOR Loans (except for changes in the rate of tax on the overall net income of such Lender imposed by the jurisdiction in which such Lender's principal executive office is located); or

(2) shall impose, modify, or deem applicable any reserve (including any reserve imposed by the Board of Governors of the Federal Reserve System, but excluding with respect to any LIBOR Loan any such requirement included in any applicable LIBOR Reserve Percentage), special deposit, capital adequacy, assessment, or other requirement or condition against assets of, deposits with or for the account of, or commitments or credit extended by such Lender, or shall impose on such Lender or the London interbank borrowing market any other condition affecting its obligation to make such LIBOR Loans or its LIBOR Loans;

and the result of any of the foregoing is to increase the cost to such Lender of making or maintaining any such LIBOR Loans, or to reduce the amount of any sum received or receivable by such Lender under this Agreement or under the Revolving Loan Notes with respect thereto, and such increase is not given effect in the determination of LIBOR Basis, then, on the earlier of demand by such Lender (with a copy of such demand to Agent) or the Commitment Maturity Date, Borrower shall pay to Agent, for the benefit of such Lender, such additional amount or amounts as will compensate such Lender for such increased costs. Each Lender will promptly notify Agent, who will promptly notify Borrower, of any event of which it has knowledge, occurring after the date hereof, that will entitle such Lender to compensation pursuant to this **Section 10.3** and such Lender will designate a different lending office if such designation will avoid the need for, or reduce the amount of, such compensation and will not, in the sole judgment of such Lender, be otherwise disadvantageous to it.

(b) A certificate of any Lender claiming compensation under this **Section 10.3** and setting forth the additional amount or amounts to be paid to it hereunder and calculations therefor shall, absent manifest error, be deemed final, binding and conclusive upon Borrower. In determining such amount, such Lender may use any reasonable averaging and attribution methods. If a Lender demands compensation under this **Section 10.3**, Borrower may at any time, upon at least five (5) Business Days' prior notice to Agent, prepay in full the then outstanding affected LIBOR Loans, together with accrued interest thereon to the date of prepayment, along with any reimbursement required under **Sections 1.10**,

10 and 11.3(g). Concurrently with prepaying such LIBOR Loans, Borrower shall borrow a Reference Rate Loan, or a LIBOR Loan not so affected, from Lenders, and Lenders shall make such Loan in an amount such that the outstanding principal amount of the Loans immediately following such prepayment shall equal the outstanding principal amount of the Loans immediately prior to such prepayment.

10.4 Effect On Other Loans. If notice has been given pursuant to **Sections 10.1, 10.2 or 10.3** suspending the obligation of any Lender to make any LIBOR Loan, or requiring LIBOR Loans to be repaid or prepaid, then, unless and until Agent notifies Borrower that the circumstances giving rise to such repayment no longer applies, all LIBOR Loans that would have been made by such Lender shall be made instead as Reference Rate Loans.

10.5 Capital Adequacy. If, after the date hereof, any Lender (or any Affiliate of any Lender) shall have reasonably determined that the adoption of any Applicable Law, governmental rule, regulation or order regarding the capital adequacy of banks or bank holding companies, or any Change in Law, or any change in the interpretation or administration thereof by any Governmental Authority, central bank or comparable agency charged with the interpretation or administration thereof, or compliance by any Lender (or any Affiliate of any Lender) with any request or directive regarding capital adequacy (whether or not having the force of law) of any such Governmental Authority, central bank or comparable agency, has or would have the effect of reducing the rate of return on the capital of such Lender (or any Affiliate of such Lender) as a consequence of any of such Lender's Revolving Credit Facility or obligations hereunder to a level below that which it could have achieved but for such adoption, change or compliance (taking into consideration the policies of such Lender (or Affiliate of such Lender) with respect to capital adequacy immediately before such adoption, change or compliance and assuming that the capital of such Lender (or Affiliate of such Lender) was fully utilized prior to such adoption, change or compliance), then, upon demand by such Lender (with a copy of such demand to Agent), Borrower shall immediately pay to Agent, for the benefit of such Lender, such additional amounts as shall be sufficient to compensate such Lender for any such reduction actually suffered; provided, that there shall be no duplication of amounts paid to such Lender pursuant to this sentence and **Section 10.3**. A certificate of such Lender setting forth the amount to be paid to such Lender by Borrower as a result of any event referred to in this **Section 10.5** shall, absent manifest error, be deemed final, binding and conclusive upon Borrower.

10.6 Federal Reserve System/Wire Transfers. The obligation of Lenders or Agent, on behalf of Lenders, to make any Loan by wire transfer to Borrower or any other Person shall be subject to all Applicable Laws, including the policy of the Board of Governors of the Federal Reserve System on Reduction of Payments System Risk as in effect from time to time. Borrower acknowledges that such laws, regulations and policy may delay the transmission of any funds to Borrower.

10.7 Replacement of Lender.

(a) If (i) any Affected Lender delivers to Borrower a written notice and demand for payment of additional amounts or increased costs as provided in **Sections 10.3 or 10.5**, (ii) any Lender does not approve any consent, waiver or amendment that requires the approval of all affected Lenders and has been approved by the Requisite Lenders, or (iii) any Lender is a Defaulting Lender, Borrower may, at its option, within 15 days after the occurrence of such event or receipt by Borrower of such notice and demand, notify Agent and such Lender of its intention to replace such Lender. So long as no Default or Event of Default shall have occurred and be continuing, Borrower may obtain, with the consent of Agent and at Borrower's expense, a Replacement Lender for such Lender, which Replacement Lender must be satisfactory to Agent. If Borrower obtains a Replacement Lender within 90 days following notice of its intention to do so, such Lender must sell and assign its Loans and Commitments to such Replacement Lender for an amount equal to the principal balance of all Loans held by such Lender and all accrued interest and fees with respect thereto through the date of such sale; provided, that Borrower shall have

reimbursed such Lender for the additional amounts or increased costs that it is entitled to receive under this Agreement through the date of such sale and assignment.

Notwithstanding the foregoing, Borrower shall not have the right to obtain a Replacement Lender if such Lender rescinds its demand for increased costs or additional amounts, approves the consent, waiver or amendment at issue, or ceases to be a Defaulting Lender, within 15 days following its receipt of Borrower's notice of intention to replace such Lender. Furthermore, if Borrower gives a notice of intention to replace and does not so replace such Lender within 90 days thereafter, Borrower's rights under this Section 10.7 shall terminate and Borrower shall promptly pay all increased costs or additional amounts demanded by such Lender pursuant to **Sections 10.3 and 10.5**.

(b) If any Lender requests compensation under **Sections 10.3 or 10.5**, or the Borrower is required to pay any additional amount to the Lenders or any Governmental Authority for the account of the Lender pursuant to **Section 1.11**, then such Lender shall use reasonable efforts (which shall not require such Lender to take any action inconsistent with its internal policies or legal or regulatory restrictions or suffer any disadvantage or burden deemed by it to be material) to designate a different lending office for funding or booking its Loans hereunder or to assign its rights and obligations hereunder to another of its offices, branches or affiliates, if, in the judgment of such Lender, such designation or assignment (i) would eliminate or reduce amounts payable pursuant to **Sections 1.11, 10.3 or 10.5**, as the case may be, in the future, and (ii) in each case, would not subject the Lender to any unreimbursed cost or expense and would not otherwise be disadvantageous to the Lender. Borrower hereby agrees to pay all reasonable costs and expenses incurred by the Lender in connection with any such designation or assignment.

11. MISCELLANEOUS

11.1 Complete Agreement; Modification of Agreement. This Agreement and the other Loan Documents constitute the complete agreement between the parties with respect to the subject matter hereof and thereof, supersede all prior agreements, commitments, understandings or inducements (oral or written, expressed or implied), and may not be modified, altered or amended except by written agreement signed by Agent, the Requisite Lenders, Borrower and each other Person executing this Agreement or any other Loan Document, as applicable.

11.2 Amendments and Waivers

(a) Except for actions expressly permitted to be taken by Agent, no amendment, modification, termination, or waiver of any provision of this Agreement, any of the other Loan Documents, or any of the Revolving Loan Notes, or any consent to any departure by Borrower therefrom, shall in any event be effective unless the same shall be in writing and signed by Borrower and Agent, with the written approval of the Requisite Lenders or all Lenders, as applicable. Except as set forth in **clauses (b), (c) or (e)** below, all such amendments, modifications, terminations, or waivers requiring the consent of any Lender shall require the written consent of the Requisite Lenders.

(b) No amendment, modification, termination, or waiver of, or consent with respect to, any provision of this Agreement that (i) increases the percentage advance rates set forth in the definition "Borrowing Base", (ii) makes less restrictive the nondiscretionary criteria for exclusion from Eligible Notes Receivable or Eligible Loan Paper, or (iii) waives compliance with the conditions precedent set forth in **Section 2.2** to the making of any Loan, shall be effective unless the same shall be in writing and signed by Agent, Borrower, and each Lender.

(c) No amendment, modification, termination, or waiver shall, unless in writing and signed by Agent and each Lender directly affected thereby, do any of the following: (i) increase the principal amount of any Lender's Commitment (which action shall be deemed to directly affect all Lenders); (ii) reduce the principal of, rate of interest on, or fees payable with respect to, any Loan of any affected Lender; (iii) extend the Commitment Maturity Date or any scheduled payment date or final maturity date of the principal amount of any Loan of any affected Lender; (iv) waive, forgive, defer, extend, or postpone any payment of interest or fees as to any affected Lender; (v) release any Guarantor or, except as otherwise permitted herein or in the other Loan Documents, permit Borrower to sell or otherwise dispose of any Collateral with a value exceeding \$10,000,000 in the aggregate (which action shall be deemed to directly affect all Lenders); (vi) change the percentage of the Commitments or of the aggregate unpaid principal amount of the Loans that shall be required for Lenders or any of them to take any action hereunder; (vii) amend the application of payments provisions of **Section 1.12** or the application of proceeds provisions of **Section 7.4**; and (viii) amend or waive this **Section 11.2** or the definitions of the term "Requisite Lenders" insofar as such definitions affect the substance of this **Section 11.2**. Furthermore, (A) no amendment, modification, termination, or waiver affecting the rights or duties of Agent under this Agreement or any other Loan Document shall be effective unless in writing and signed by Agent in addition to Lenders required hereinabove to take such action and (B) any provision of this Agreement setting forth rights and duties of Lenders vis-à-vis each other or the rights and duties of Lenders vis-à-vis Agent may be modified by Lenders and Agent without the consent of Borrower. Each amendment, modification, termination, or waiver shall be effective only in the specific instance and for the specific purpose for which it was given. No amendment, modification, termination, or waiver shall be required for Agent to take additional Collateral pursuant to any Loan Document. No amendment, modification, termination, or waiver of any provision of any Revolving Loan Note shall be effective without the written concurrence of the holder of that Revolving Loan Note. No notice to or demand on Borrower in any case shall entitle Borrower to any other or further notice or demand in similar or other circumstances. Any amendment, modification, termination, waiver, or consent effected in accordance with this **Section 11.2** shall be binding upon each holder of the Revolving Loan Notes at the time outstanding and each future holder of the Revolving Loan Notes.

(d) If, in connection with any proposed amendment, modification, waiver, or termination:

(1) requiring the consent of all Lenders, the consent of Requisite Lenders is obtained, but the consent of other Lenders whose consent is required is not obtained;

(2) requiring the consent of Requisite Lenders, the consent of Lenders holding more than 50% of the aggregate Commitments is obtained, but the consent of Requisite Lenders is not obtained;

then, so long as Agent is a consenting Lender, at Borrower's request Agent or a Person acceptable to Agent shall have the right with Agent's consent and in Agent's sole discretion (but shall have no obligation) to purchase from such non-consenting Lenders, and such non-consenting Lenders agree that they shall, upon Agent's request, sell and assign to Agent or such Person, all of the Commitments of such non-consenting Lenders for an amount equal to the principal balance of all Loans held by such non-consenting Lenders and all accrued interest and fees with respect thereto through the date of sale, such purchase and sale to be consummated pursuant to an executed Assignment Agreement.

(e) Notwithstanding anything to the contrary in this **Section 11.2**:

(1) with respect to any increase in the Commitment pursuant to **Section 1.17**, such increase may be effected by an Accession Agreement executed only by Borrower, Agent, and the applicable Acceding Lender;

(2) Agent is authorized by the Lenders to enter into amendments, supplements or modifications to this Agreement or any other Loan Document to which it is a party, with Borrower, for the purpose of: (A) reflecting additional Collateral provided under the Loan Documents or effecting releases of Collateral, or taking such further actions in respect of the Collateral Documents as contemplated hereunder and thereunder, or (B) curing any typographical error, incorrect cross-reference, defect in form, inconsistency, omission or ambiguity herein or therein (without any further consent, approval or authorization by the Lenders);

(3) Agent is authorized by the Lenders to give notices, consents, confirmations, acknowledgments, approvals and other notices in respect of the Possessory Collateral Agreement; and

(4) no Defaulting Lender shall have any right to approve or disapprove any amendment, waiver or consent hereunder (and any amendment, waiver or consent which by its terms requires the consent of all Lenders or each affected Lender may be effected with the consent of the applicable Lenders other than Defaulting Lenders), except that (x) the Commitment of any Defaulting Lender may not be increased or extended without the consent of such Lender and (y) any waiver, amendment or modification requiring the consent of all Lenders or each affected Lender that by its terms affects any Defaulting Lender more adversely than other affected Lenders shall require the consent of such Defaulting Lender.

11.3 Reimbursement and Expenses. Borrower will promptly pay:

(a) all costs and out-of-pocket expenses of Agent in connection with the preparation, negotiation, execution, and delivery of this Agreement, the Revolving Loan Notes and the other Loan Documents, including all post-closing matters, and the transactions contemplated hereunder and thereunder and the making of the Loans, including, outside auditor costs, appraisal costs, insurance premiums, recording and filing fees, and intangible, documentary stamp and other taxes and the reasonable attorneys' fees and disbursements of counsel for Agent and the reasonable, allocated costs for services of internal counsel for Agent in connection therewith;

(b) all costs and out-of-pocket expenses of Agent in connection with the administration, making, or monitoring of the Loans and this Agreement and the other Loan Documents in accordance with the provisions thereof, the provision of the services of the type described in **Section 5.3**, the restructuring and refinancing of the transactions herein and therein contemplated, and the preparation, negotiation, execution, and delivery of any waiver, amendment, or consent by Agent relating to this Agreement or the other Loan Documents, including, the reasonable attorneys' fees and disbursements of counsel for Agent and the reasonable allocated costs for services of internal counsel for Agent and a fee to compensate Agent for any such waiver, amendment or consent;

(c) all of Agent's and Lenders' costs and out-of-pocket expenses of obtaining performance under this Agreement or the other Loan Documents and collection of the Obligations, in any arbitration, mediation, legal action or proceeding (including any case or proceeding under any Debtor Relief Laws), which, in each case, shall include reasonable fees and expenses of counsel for Agent and Lenders and the reasonable allocated fees and disbursements for the services of internal counsel for Agent and Lenders;

(d) all reasonable fees, costs and out-of-pocket expenses of Agent and the Lenders in connection with the forwarding to Borrower or any other Person on behalf of Borrower by Agent or any Lender of the proceeds of any of the Loans (including by wire transfer);

(e) all costs and out-of-pocket expenses of Agent in connection with the evaluation, observation, appraisal or assessment of any of the Collateral, Borrower and its Subsidiaries or their respective affairs; and

(f) whenever Agent or any Lender sustains or incurs any losses or out-of-pocket expenses in connection with (1) the failure by Borrower to borrow or reborrow any LIBOR Loan, or reborrow any Loan as a LIBOR Loan, in each case, after having given notice of its intention to borrow in accordance with **Sections 1.1** and **1.2** (whether by the election of Borrower not to proceed or the failure to satisfy of any of the conditions set forth in **Section 2**), or (2) prepayment of any LIBOR Loan in whole or in part, then Borrower shall pay to Agent, for the benefit of Agent and Lenders, upon the earlier of Agent's demand or the Commitment Maturity Date an amount sufficient to compensate Agent and Lenders for all such losses and out-of-pocket expenses. Agent's good faith determination of the amount of such losses and out-of-pocket expenses, shall, absent manifest error, be deemed final, binding and conclusive upon Borrower. Losses subject to reimbursement under this Agreement shall include expenses incurred by Agent, Lenders, or any participant of Agent or any Lender permitted under this Agreement in connection with the re-employment of funds prepaid, repaid, not borrowed, or paid, as the case may be, and any lost profit of Agent or any Lender or any participant of Agent or any Lender over the remainder of the LIBOR Loan Period for such prepaid LIBOR Loan.

11.4 Indemnity.

(a) Borrower shall indemnify and hold each Indemnified Person, harmless, from and against any Claim that may be instituted or asserted against or incurred by any such Indemnified Person as the result of credit having been extended or not extended under this Agreement and the other Loan Documents or otherwise in connection with or arising out of this Agreement, the other Loan Documents, or the transactions contemplated hereunder or thereunder, including any Claim for Environmental Liabilities and Costs and legal costs and expenses of disputes between the parties to this Agreement, except to the extent that any such Claim resulted solely from such Indemnified Person's gross negligence or willful misconduct. NO INDEMNIFIED PERSON SHALL BE RESPONSIBLE OR LIABLE TO ANY OTHER PARTY TO ANY LOAN DOCUMENT, ANY SUCCESSOR, ASSIGNEE OR THIRD PARTY BENEFICIARY OR ANY OTHER PERSON ASSERTING CLAIMS DERIVATIVELY THROUGH ANY SUCH PARTY, FOR INDIRECT, PUNITIVE, EXEMPLARY OR CONSEQUENTIAL DAMAGES THAT MAY BE ALLEGED AS A RESULT OF CREDIT HAVING BEEN EXTENDED OR NOT EXTENDED UNDER THIS AGREEMENT OR ANY OTHER LOAN DOCUMENT OR AS A RESULT OF ANY OTHER TRANSACTION CONTEMPLATED HEREUNDER OR THEREUNDER.

(b) In any suit, proceeding or action brought by Agent, on behalf of Agent or Lenders, or any Lender relating to any item of Collateral or any amount owing hereunder, or to enforce any provision of any item of Collateral, Borrower shall, save, indemnify and keep Agent and each Lender harmless from and against all expense, loss or damage suffered by reason of such action or any defense, setoff, or counterclaim asserted for any reason by the other party or parties to such litigation and however arising. All obligations of Borrower with respect to any item of Collateral shall be and remain enforceable against, and only against, Borrower and shall not be enforceable against Agent or any Lender. This **Section 11.4** shall survive the Termination Date.

11.5 No Waiver. Neither Agent's nor any Lender's failure, at any time or times, to require strict performance by Borrower of any provision of any Loan Document, nor Agent's or any Lender's failure to exercise, nor any delay in exercising, any right, power or privilege under this Agreement, (a) shall waive, affect or diminish any right of Agent or such Lender thereafter to demand strict compliance and performance therewith, or (b) shall operate as a waiver thereof. Any suspension or waiver of a Default, Event of Default, or other provision under the Loan Documents must be in writing signed by an authorized employee of Agent and the Requisite Lenders to be effective and shall not suspend, waive or affect any other Default or Event of Default, whether the same is prior or subsequent thereto and whether of the same or of a different type, and shall not be construed as a bar to any right or remedy that Agent or any Lender would otherwise have had on any future occasion.

11.6 Severability. Wherever possible, each provision of the Loan Documents shall be interpreted in such manner as to be effective and valid under Applicable Law, but if any provision of any Loan Document shall be prohibited by or invalid under Applicable Law, such provision shall be ineffective to the extent of such prohibition or invalidity, without invalidating the remainder of such provision or the remaining provisions of such Loan Document. Except as otherwise expressly provided herein or in any other Loan Document, all undertakings, agreements, covenants, warranties and representations of or binding upon Borrower and all rights of Agent and Lenders, all as contained in the Loan Documents, shall not terminate or expire, but rather shall survive such termination or cancellation and shall continue in full force and effect until the Termination Date; provided, that the reimbursement and expense provisions of **Section 11.3**, the indemnity provisions of **Section 11.4**, the governing law and venue provisions of **Section 11.12** and the jury trial waiver of **Section 11.13** shall all survive the Termination Date.

11.7 Conflict of Terms. Except as otherwise provided in any Loan Document by specific reference to the applicable provisions of this Agreement, if any provision contained in this Agreement is in conflict with, or inconsistent with, any provision in any other Loan Document, the provision contained in this Agreement shall govern and control.

11.12 GOVERNING LAW; VENUE. EXCEPT AS OTHERWISE EXPRESSLY PROVIDED IN ANY OF THE LOAN DOCUMENTS, IN ALL RESPECTS, INCLUDING ALL MATTERS OF CONSTRUCTION, VALIDITY AND PERFORMANCE, THIS AGREEMENT AND THE OTHER LOAN DOCUMENTS AND THE OBLIGATIONS ARISING HEREUNDER AND THEREUNDER SHALL BE GOVERNED BY, AND CONSTRUED AND ENFORCED IN ACCORDANCE WITH, THE LAW OF THE STATE OF CALIFORNIA APPLICABLE TO CONTRACTS MADE AND PERFORMED IN SUCH STATE, WITHOUT REGARD TO THE PRINCIPLES THEREOF REGARDING CONFLICTS OF LAWS, AND ANY APPLICABLE LAWS OF THE UNITED STATES OF AMERICA. IN THE EVENT THAT THE WAIVER OF JURY TRIAL SET FORTH IN THE PREVIOUS SENTENCE IS NOT ENFORCEABLE UNDER THE LAW APPLICABLE TO THIS AGREEMENT, THE PARTIES TO THIS AGREEMENT AGREE THAT ANY CLAIM, INCLUDING ANY QUESTION OF LAW OR FACT RELATING THERETO, SHALL, AT THE WRITTEN REQUEST OF ANY PARTY, BE DETERMINED BY JUDICIAL REFERENCE PURSUANT TO THE STATE LAW APPLICABLE TO THIS AGREEMENT. THE PARTIES SHALL SELECT A SINGLE NEUTRAL REFEREE, WHO SHALL BE A RETIRED STATE OR FEDERAL JUDGE. IN THE EVENT THAT THE PARTIES CANNOT AGREE UPON A REFEREE, THE COURT SHALL APPOINT THE REFEREE. THE REFEREE SHALL REPORT A STATEMENT OF DECISION TO THE COURT. NOTHING IN THIS PARAGRAPH SHALL LIMIT THE RIGHT OF ANY PARTY AT ANY TIME TO EXERCISE SELF-HELP REMEDIES, FORECLOSE AGAINST COLLATERAL OR OBTAIN PROVISIONAL REMEDIES. THE PARTIES SHALL BEAR THE FEES AND EXPENSES OF THE REFEREE EQUALLY, UNLESS THE REFEREE ORDERS OTHERWISE. THE REFEREE SHALL ALSO DETERMINE ALL ISSUES RELATING TO THE APPLICABILITY, INTERPRETATION, AND ENFORCEABILITY OF THIS PARAGRAPH. THE PARTIES ACKNOWLEDGE THAT IF A REFEREE IS SELECTED TO DETERMINE THE CLAIMS, THEN THE CLAIMS WILL NOT BE DECIDED BY A JURY.

11.16 Effect of Amendment and Restatement. This Agreement is intended to and does completely amend, restate, supercede and replace, without novation, the Original Agreement; provided, however, the execution and delivery of this Agreement shall not, in any manner or circumstance, be deemed to be a novation of or to have terminated, released, extinguished, or discharged any of the Borrower's Obligations under the Original Agreement or any Liens granted under or in connection with the Original Agreement or the other Loan Documents, all of which are hereby ratified and confirmed and shall continue under and shall hereafter be evidenced and governed by this Agreement and the other Loan Documents.

Re: Loan Supplement dated for reference purposes as of : , 20

Ladies and Gentlemen:

This Loan Supplement (this "Loan Supplement") is executed and delivered pursuant to the Amended and Restated Loan and Security Agreement, dated as of November 2, 2011 (as amended, modified, supplemented, restated or renewed from time to time, the "Loan Agreement") by and among HERCULES TECHNOLOGY GROWTH CAPITAL, INC., a Maryland corporation (the "Borrower"), the several financial institutions from time to time party thereto (the "Lenders"), and UNION BANK, N.A., as a Lender and as agent for the Lenders (in such capacity, the "Agent"). All capitalized terms used herein shall have the meanings specified in the Loan Agreement unless otherwise defined herein. In addition to the provisions of the Amended and Restated Loan and Security Agreement, the parties agree as follows.

Borrower hereby certifies that the representations and warranties in **Section 3** of the Loan Agreement are and continue to be true, correct and complete as to the Notes Receivable, Loan Paper, and all other Collateral in which Borrower has granted a security interest and collaterally assigned to Agent, for itself and the other Lenders, prior to the date of this Loan Supplement and as to the Notes Receivable, Loan Paper and other documents, instruments, agreements, interests and other property referenced in this Loan Supplement. Without limiting the security interests granted and collateral assignments made under the Loan Agreement, Borrower hereby grants to Agent, for itself and the other Lenders, a continuing security interest in, and collaterally assigns to Agent, for itself and the other Lenders, all of Borrower's right title and interest in and to the Notes Receivable, related Loan Paper, and other property listed on Attachment A to this Loan Supplement together with: (i) any and all obligations therein described, the debt secured thereby and all sums of money due and to become due thereon, with the interest provided for therein, (ii) any and all Liens, privileges, security interests, collateral, rights, remedies, entitlements and equities that Borrower now or in the future possesses or to which is entitled as additional security for the payment thereof and the other obligations described in any related Loan Paper, (iii) any and all financing statements filed against the applicable Account Debtors, as debtor, naming Borrower as secured party; (iv) any and all other documents executed and/or delivered in connection with such Notes Receivable or Loan Paper, including, without limitation, all of Borrower's right, title and interest in and to any collateral, security, guaranties, certificates of deposit, letters of credit, performance bonds, demands,

causes of action, all related certificates, bank accounts, operating accounts, insurance policies, reserve accounts, escrow accounts and other accounts, opinions, financial statements of Account Debtors and any guarantors and any other collateral arising out of and/or executed and/or delivered in connection with or related to such Notes Receivable or Loan Paper, and all other rights and benefits of Borrower related to such other documents, (v) any and all claims, demands and causes of action that Borrower now or in the future possesses against any Account Debtor in connection with foregoing or to which Borrower is otherwise entitled as additional security for the payment of such Notes Receivable, Loan Paper and the other obligations described therein, and (vi) any and all cash and non-cash proceeds thereof. Borrower confirms and agrees that the foregoing shall be included as part of the Collateral referred to in the Loan Agreement, shall be subject to **Section 6** of the Loan Agreement, and shall secure all Obligations. Borrower ratifies and confirms each power of attorney granted to Agent under the Loan Agreement and in the other Loan Documents.

This security interest herein is granted in conjunction with the security interest granted to Agent under the Loan Agreement. The rights and remedies of Agent with respect to the security interest granted hereby are in addition to, and in no way limit or restrict, those set forth in the Loan Agreement and the other Loan Documents, and those which are now or hereafter available to Agent or any Lender as a matter of law or equity. Each right, power and remedy of Agent and each Lender provided for herein or in the Loan Agreement or any of the other Loan Documents, or now or hereafter existing at law or in equity shall be cumulative and concurrent and shall be in addition to every right, power or remedy provided for herein and the exercise by Agent or any Lender of any one or more of the rights, powers or remedies provided for herein, the Loan Agreement or any of the other Loan Documents, or now or hereafter existing at law or in equity, shall not preclude the simultaneous or later exercise by any person, including Agent, of any or all other rights, powers or remedies.

Except as expressly set forth herein, this Loan Supplement shall not alter, modify, amend, or in any way affect any of the terms, conditions, obligations, covenants, or agreements contained in the Loan Agreement or any other Loan Document. The Loan Agreement, all promissory notes, guaranties, security agreements, and all other instruments, documents and agreements entered into in connection with the Loan Agreement and each other Loan Document shall be and remain in full force and effect in accordance with their respective terms and hereby are ratified and confirmed by Borrower in all respects. Borrower further ratifies and reaffirms the continuing effectiveness of the Loan Agreement and the other Loan Documents. Nothing in this Loan Supplement shall constitute a satisfaction of any Obligations.

This Loan Supplement shall be binding upon and inure to the benefit of and be enforceable by the parties hereto, and their respective permitted successors and assigns. This Loan Supplement and the Loan Agreement shall be read together as one document. No course of dealing on the part of Agent, any Lender or their respective officers, nor any failure or delay in the exercise of any right by Agent or any Lender, shall operate as a waiver thereof, and any single or partial exercise of any such right shall not preclude any later exercise of any such right. No other person or entity shall be entitled to claim any right or benefit hereunder, including, without limitation, the status of a third party beneficiary hereunder. This Loan Supplement shall be governed by and construed in accordance with the laws of the State of California without reference to conflicts of law rules. If any provision of this Loan Supplement or any of the other Loan Documents shall be determined by a court of competent jurisdiction to be invalid, illegal or unenforceable, that portion shall be deemed severed therefrom, and the remaining parts shall remain in full force as though the invalid, illegal or unenforceable portion had never been a part thereof. This Loan Supplement may be executed in any number of counterparts, including by electronic or facsimile transmission, each of which when so delivered shall be deemed an original, but all such counterparts taken together shall constitute but one and the same instrument.
